SUNDAY Sport SPEAKS FOR BRITAIN

LET US TACKLE THE ENEMY WITHIN

AFTER the cowardly attacks on innocent civilians by the knuckle-headed bigots of Islamic State and the beheading of journalist James Foley, there has rightly been outrage across the world.

It now seems that the full might and fury of civilised nations' armed forces will be directed against IS.

This is a right and proper response.

There is only one way to deal with fascism and that is with overwhelming and ruthless force.

But fanatics such as those in the ranks of IS are not just to be found in the deserts of Syria and Iraq. They are here. Among us. In Britain.

Anyone who has seen the bloodcurdling James Foley murder video will have heard the unmistakable London accent of his killer.

And he is far from the only Briton fighting for the cause of a backward hate-filled creed.

Omar Sheikh from north London organised the murder of Wall Street Journal reporter Daniel Pearl and was involved in kidnappings and bombings.

Asif Hanif, 21, from Hounslow in west London and Omar Khan Sharif, 27 — carried out a suicide bombing in a bar on the waterfront in Tel Aviv.

British-born Muslims carried out the first suicide bombings on British soil, on the deadly day that was 7/7 2005.

Richard Reid, the so-called Shoe Bomber who tried to blow up an American Airlines jet in 2001, was British.

Two British Muslims murdered Lee Rigby by decapitating him in London in broad daylight.

The list goes on and on.

Earlier this month, supporters of IS leafleted innocent shoppers in London's Oxford Street, right at the heart of our capital. The flag of IS has been hoisted over London housing estates. Gangs of Muslims parade carrying the IS flag.

This CANNOT be tolerated.

It is quite obvious that IS is a clear and present danger to the peace and security of this nation.

Any Briton caught giving support to IS or similar groups must feel the full weight of the law.

The rioters of 2011 felt swift and savage justice.

The scum who support the filthy aims of IS need to be tackled just as robustly.

We cannot send our brave fighting men and women into harm's way in foreign lands unless we too are prepared to deal with the enemy in our midst.

'Dock death' pair in court

TWO lorry drivers have been remanded in custody after appearing in court charged in connection with the death of a man found in a container at Tilbury Docks.

Stephen McLaughlin, 34, and Timothy Murphy, 33, are accused of conspiring to facilitate illegal entry into the UK.

The men, both from Londonderry, Northern Ireland, spoke only to confirm their names and personal details when they appeared before magistrates in Chelmsford, Essex.

Meet Singh Kapoor, 40, from Afghanistan, was found dead inside the container at Tilbury Docks on August 16, with 35 immigrants.

COAST CLOSED

IVORY Coast has become the latest African country to close its land borders to prevent the spread of the deadly Ebola virus on to its territory.

FROGS HELP MIGRANTS HOP ACROSS TO UK!

FRANCE has been accused of setting up a REFUELLING STOP for illegal immigrants on their way to Britain.

MPs said proposals for housing 400 people near Calais would act as a magnet and see more desperate folk to attempt the journey to the UK.

They were also furious at plans to set up welcome centres providing help and advice to people seeking to reach Britain. These may be used to help them make applications for asylum here.

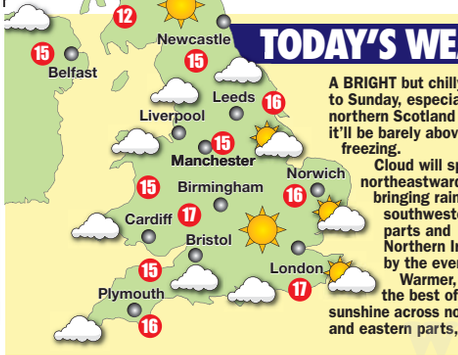
By JUSTIN DUNN
justin@sundaysport.co.uk

The row began after Calais mayor Natacha Bouchart announced plans for a state-funded camp, providing shelter, food and facilities, for thousands of migrants who pass through.

She said allowing them all to sleep rough in her town was "unsustainable".

Mayor Bouchart said: "It is the only way to rid the town of this huge migrant presence."

But Tory MP Philip Hollobone said: "It's unacceptable at every level for the French authorities to provide a refuelling stop for illegal immigrants trying to get to Britain. It's quite clear that these people are not claiming asylum in France."



TODAY'S WEATHER

Outbreaks of rain on Monday and starting wet, then turning drier, brighter but also breezy on Tuesday.

Red alert as Iceland volcano erupts

ICELAND has issued a red alert to aircraft after the huge Bárdarbunga volcano began erupting.

As the mountain began rumbling experts warned that a "significant amount" of ash was expected to blast out of its crater.

The Icelandic Met Office warned that a so-called sub-glacial eruption is under way. That is expected to melt huge amounts and glacier water and lead to widespread flooding.

On Wednesday, authorities evacuated an area close to the volcano over fears it could erupt.

Iceland's Eyjafjallajokull volcano erupted in 2010, producing an ash cloud that severely disrupted air travel. Bardarbunga is part of a large volcano system hidden beneath the third-of-a-mile thick Vatnajokull glacier in central Iceland.

Kelsey-Beth 'sexier' with her new DDs

EMMERDALE beauty Kelsey-Beth Crossley says she loves her big, bra-busting BOOBS!

The 22-year-old actress (*above*) reckons she feels sexier than ever since having a breast enlargement in February.

Curvy Kelsey-Beth, from Fleetwood, Lancs, said she decided to boost her 34B babies to jaw-dropping 34DDs because she thought they "weren't perky enough".

And now the soap star – who played Scarlett Nicholls in the show – simply can't wait to whip them out for lucky blokes on the dating scene!

Kelsey-Beth, who also appeared in *The Voice*, said: "I had a boob job in February. I was a 34B and where I'd lost weight, it was just loose skin – my boobs weren't perky.

"I was dating then, but I wouldn't let anyone see me with my bra off.

"I feel more confident now. I'm a 34DD and they look great. I used to look in the mirror and be embarrassed.

"After the op I am more womanly. I even walk differently. People said I slouched before but now I lead with my boobs!"

Chelsea walks dogs topless!

SERIAL boob flasher Chelsea Ferguson has admitted going topless while taking her DOG for a walk!

The saucy 24-year-old (*above*) is a massive star on social networks thanks to her fondness for flashing the flesh.

The lapdancer from Hartlepool once told Twitter she'd her boobs out if she managed to gain 1,000 followers.

She's now on 820,000 fans – plus countless more on Snapchat.

Talking about her favourite topless selfies, she said: "Dog walking topless was a popular one.

"Thankfully, no-one saw that I was with my mum for that one, actually!"

HOUSE WARMING: Sex star greets others in *CBB* house

By NEIL GOODWIN
neil@sundaysport.co.uk

THERE'S only one type of sausage Angelique Morgan likes on her pizza – PORK, with a salty relish on the side, thanks to her job as a to PORN STAR.

The French model is currently surviving on rations in the *Celebrity Big Brother* house.

But she wasn't always short of a meaty mouthful, as she once starred in a HARDCORE porn movie in which she shagged a delivery boy while butt-deep in a pizza.

As the 40-minute romp climaxes with Angelique needing a napkin to mop her greasy chin, she gets her crust well and truly STUFFED.

So far Channel 5 have played

down her X-rated credentials, simply describing her as a model and 'exotic dancer'.

But we can EXCLUSIVELY reveal how she's starred in almost a dozen grot flicks, in which she enjoys some of the hotest sexploits imaginable.

The classic *Big Sausage Pizza 14* begins with Angelique, 38, slurping on a lucky chap's banger after he sticks it through a hole in her deep-pan dish.

In her Parisian accent, she exclaims: "Oh my God, zer is a big sausage in zer!" She sucks him off nonetheless before straddling his lap, her arse cheeks bouncing in the cheesy treat. At one point she even EATS a slice, while bonking.

In another flick, *Fudgestick 3*, she even indulges in a spot of RIMMING, licking and prodding a man's bumhole for the cameras.

Speaking about her explicit career, the blonde – who shot to fame on VH1 reality TV show *Rock of Love 2* – said: "I really like being with two guys. I love to have one cock in my pussy and one in my mouth!"

THE VOICE OF YOUR BRITAIN

Topping idea by common sense party

THIS newspaper has long admired the robust policies of the UK Independence Party.

Like Sunday Sport, UKIP is no fan of Brussels bureaucracy or of unelected foreigners usurping the powers of the democratically-elected assembly at Westminster.

And we also like the noises that UKIP is making about the subject of crime and punishment.

It is clear that our streets are unruly and lawless and that the police are more interested in pursuing elderly celebrities for long-ago crimes than present-day malefactors.

And it seems some UKIP members are prepared to think "outside of the box" – to use that revolting expression.

The suggestion that the most bestial of killers be executed by jellyfish may seem bizarre – unhinged, even.

But would murderers and sex criminals go about their wickedness so readily if they knew a grisly and gruesome death awaited them?

Common sense says they would not – and so common sense dictates we should explore this idea further.

Time we faced the fats of life

IF our nation's shame is encapsulated in one person, that person is without doubt Susan Ford.

This 41-stone she-colossus grows daily more vast as she gorges on high-fat processed food, paid for from the public purse.

We must be mad, as a nation, to actively pay people to heap up their own funeral pyre.

Allowing a glutton unrestricted access to food is not an act of kindness or even indulgence.

It is near-murder.

This Ford creature must be forced into toil – which will aid weight loss and help her earn a Christian living.

Or we could just boil up her blubber and render it into soap.

F**king railways!

ENTERPRISING courtesan Kat Lee has not raised prices for her on-train personal services since 2009.

If only the rail companies – who last week hiked fares yet again – could treat their customers so well.

As it is, the train operators seem all too keen to fk passengers – and not in a good way!**

Sheridan's set to play kidnap hag

SEXY Sheridan Smith is being lined up to play kidnap ratbag Karen Matthews in a big-budget BBC drama.

Matthews (*below*) was jailed after staging a hoax kidnap of her daughter Shannon in what a judge described as a "truly despicable" plot.

Writer Jeff Pope, who penned hit blockbuster *Philomena*, suggested award-winning actress Sheridan is to play the role of Karen.

Shannon was nine when she disappeared from her home in Dewsbury Moor, West Yorkshire, in February 2008, sparking a massive police probe.

She was discovered 24 days later at the home of her stepdad's uncle, Michael Donovan, less than a mile away, where she had been imprisoned as part of a plan he and Matthews hatched to claim a £50,000 reward offered by a newspaper.

The pair were jailed for eight years but released after serving half their sentence.

Pope told the *Guardian* that project would be "extremely complex".

FISH AND CHIMPS

Monkey lands 20lb trout

THE angling world was hooked last night by news that a CHIMPANZEE had caught a 20lb trout while fishing on one of Scotland's largest lochs.

By SIMON DEAN
simon@sundaysport.co.uk

Simian fisherman Tarquin, a three-year-old chimp rescued last year from a Bulgarian zoo, had been taught to fish by John McLeod, boss of the Free Ape monkey sanctuary near Dunoon.

And on Wednesday the piscatorial primate landed a monster trout at Loch Awe, Argyll and Bute.

Stunned John said: "Tarquin only learned how to cast about four weeks ago and this was the first fish he'd hooked.

"Many humans fish for a lifetime without catching a 20lb trout and here's Tarquin landing one on his first trip to Loch Awe."

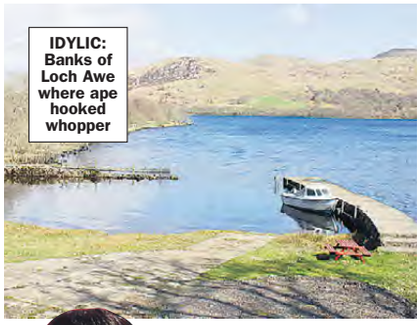
John added: "Tarquin seemed to know just what to do. He played the trout like an expert and reeled in the line steadily and firmly. I gave him a hand with the landing but apart from that, it was all his own work."

Loch Awe is one of the largest lochs in Scotland at 26 miles long and is one of the most popular for angling in Argyll.

It is up to a mile wide in places and drops to a depth of some 300ft.

The current British record – and the last four – are from Loch Awe, the latest being caught by Brian Rutland on the March 15, 2002 weighing in at an incredible 31lb 12oz!

Last night Angus Fothergill of the Scottish Trout Angling Alliance tromboned: "Monkeys?! On Loch Awe?! It's unnatural. Mark my words it's the Devil's work."



IDYLIC: Banks of Loch Awe where ape hooked whopper

Vile sex act rumours peddled by cruel website

By JUSTIN DUNN
justin@sundaysport.co.uk

EX-*CORRIE* babe Michelle Keegan was at the centre of a KINKY SEX riddle last night.

A hugely popular gossip website revealed what it claimed was her fiancé Mark Wright's favourite sex position – leading fans to assume it was something the couple practised together.

Popbitch, which has hundreds of thousands of subscribers, said in its weekly mail out on Thursday that former *TOWIE* star Mark, 27, liked to indulge in something called "the rusty trombone".

The website, which has been the scourge of celebrities for over a decade, said: "Mark *'TOWIE'* Wright's sexual position of choice? The rusty trombone (a.k.a. the 'Dirty Bristow')"

It offered no explanation, which left puzzled viewers racing off to places like the Urban Dictionary to see what it meant.

One definition said: "To get rimmed whilst receiving a hearty reach round, thus resembling a trombone player in full chorus."

On Thursday *Celebrity Big Brother* viewers heard Mark's ex Lauren Goodger explain why they were a couple for so long, telling fellow housemates: "Our sex lives kept us together for 12 years. We had amazing sex."

Michelle, also 27, quit *Coronation Street* earlier this year after her character, Tina McIntyre, was killed off.

Popbitch hadn't responded as *Sunday Sport* went to press.

And there is nowhere more outrageous than O'Neill's bar – where pretty much ANYTHING goes!

If YOUR missus is on an all-girls holiday out there at the moment, don't think for a second that she's merely "enjoying the sunshine" and "getting plenty of early nights".

Chances are she's stripped to the BUFF right down and twirling around a pole on stage before hundreds of pissed-up punters!

O'Neill's wet T-shirt competitions are legendary mainly because the T-shirts don't stay on for long.

DRUNKEN FUN: O'Neills bar where anything goes

And the girls are soon pulling their sopping wet knickers off too and simulating ORAL SEX on each other and lucky lad customers!

Tourist Corinne Murphy, 22, from Durham, on holiday with pal Rachel Wilks, 21, said: "I f***ing love this place!

"We've been here two weeks and every night we've come here to get rotten on shots and have an amazing party.

Afterwards she told the crowd she felt "very blessed" that she did not break her legs.

Iggy appeared unharmed and in good spirits, even posting a video of the fall on Instagram.

She wrote in the caption: "I know. I laughed!"

The incident was shared by millions via the clip site Vine.

Tori Kelly and Sam Smith also performed at the event benefiting Lifebeat/Music Fights HIV/Aids.

Azalea is up for seven awards at the VMAs.

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

SO, Channel 5 has kicked out the fame-hungry nobodies in time for *Celebrity Big Brother* and thrown in, erm, some fame-hungry nobodies...

WHAT AN APPALLING LINE UP!

The gorgeous White Dee, is "famous" for being on benefits. Some walking corpse called Frenchy, "famous" for being a walking corpse, and George, "famous" for watching the telly.

Model and Gladiator David McIntosh is my favourite to win, simply because he's my friend and an absolute legend!

I just wish CBB and the press would stop calling him "Kelly Brooke's fiancée" because he's much more than that.

Lauren Goodger needs to exit through the nearest fire exit ASAP (if she can fit) because she repulses me.

Why did she turn up on launch night dressed in pea green with her 11 inch camel toe on show??! Someone please intervene and stop her gallivanting around in her massive knickers. Viiiiiile.

●IF these are celebrities then can I sign up for the next series? I have been on TV for 38 minutes too so I'm clearly D-list! Hand me the contract!

GIRLS Aloud star Nadine Coyle has hit out at her band mates by saying she doesn't miss them at all.

I'm sure they're crying themselves to sleep reading this. It seemed to me that they couldn't stand Nadine anyway with her annoying accent and even more annoying perfect figure.

Stop bitching Nadine and go back to selling 285 copies of your album "exclusive to *Tesco*".

●HELEN Wood spent months telling *Big Brother* viewers that she wanted to forget about her "past".

That's why she has already done a few stories blaming Wayne Rooney for being in the wrong and protesting her innocence.

If you opened your legs for another bird's boyfriend, you are NOT innocent. Can someone make this runt please disappear, now?

●RUMOURS are circulating that One Direction could be splitting after two more albums.

Millions of fans will be gutted but Simon Cowell is already searching for the next big cash cow.

He doesn't give a damn about his "acts". Look what he did with train wreck James Arthur. Dropped him quicker than Helen Wood drops her knickers.

EVERY celeb and its dog has been throwing ice over themselves in an attempt to raise awareness for something or other.

Coleen Rooney, Cheryl Whatever-She's-Called-Nowadays and George W Bush are amongst the grinning celebs posting videos of cold water being thrown all over them.

Can someone please nominate Katie Hopkins – but swap the water for turps, whilst I'm on hand. With a lighter? Thanks.

Clare's partner in dogger quiz

BROADCASTER Clare Balding admits she has a problem with the word DOGGER!

But it's more a weather reference than anything to do with strangers meeting up in leafy lanes for sex.

Clare, 43, is in a civil partnership with Alice Arnold, who up until two years ago used to read the shipping forecast on BBC Radio 4.

Quizzed if she ever asked Alice to do the forecast at home, Clare laughed "No! But my brother Andrew is always asking her to say 'Dogger'."

"Dogger" is from Dogger Bank, a large sandbank in a shallow area of the North Sea about 62 miles off the east coast of England.

It comes from the Dutch name for afishing boat used for catching cod.

Naked TV star sues for chuff in the buff

THE female star of a NUDE dating show is suing VH1 – for showing her CHUFF on TV!

Aspiring American model Jessie Nizewitz isn't happy with the popular TV channel, after glimpses of her pissflaps were aired on the box.

The 28-year-old was taking part in hit new series *Dating Naked*, where potential lovers meet for the first time completely in the buff.

Jessie claims she was told her boobs and lady parts would be blurred out when the programme went to air, but was shocked to discover her breasts WERE obscured but mimsy was on full display!

The flesh bearing Yank has now taken the channel to court, demanding $10 million.

In a statement, Jessie said: "I have no problem going to a beach in a bikini or people seeing me on TV in a bikini.

"Although I went on this show knowing that I would be nude while taping it I was told that my private parts would be blurred for TV.

"Obviously, I did not expect the world to see my private parts, this is not what I anticipated."

Game of Thrones babe loves her hairy mimsy!

A *GAME of Thrones* actress has left fans stunned by admitting she has a HAIRY FAIRY!

Porn star Samantha Bentley played a prostitute in an episode of the smash hit HBO series – making a splash during a slippery bath time sex romp (below).

But randy stroke enthusiasts know the busty 32E babe from her X-rated antics in hardcore grumble vids *Anal Perverts 2* and *Brit School Brats*.

And now the 26-year-old nympho has revealed that she's ditched her porno shaven haven in favour of a full BUSH!

Bush

She said: "Shaving is an irritation so I grew it out and went for the retro bush about a year ago.

"Surprisingly, it gets me a lot of work, and lots of guys like it, too.

"I see girls shaving every day, waxing, lasering, having their butt holes bleached. I don't do all that, I pride myself on being completely natural."

SWEET JESUS! Susan's been stuffing her face with rubbish for years

'I've even made pizzas into smoothies'

By SIMON DEAN
simon@sundaysport.co.uk

BRITAIN'S shocking obesity crisis is apparent to anyone who takes a stroll down one of our High Streets or who pays a visit to a supermarket.

But the full enormity of the problem only becomes evident when one claps eyes on 42-stone Susan Ford.

For the blubber-bound layabout sits in her lounge watching TV ALL DAY while shovelling high-calorie cakes and biscuits into her drooling maw.

Creaking

Even the effort of going to her bedroom is too much and she sleeps in her creaking armchair.

The 31-year-old only shifts from her sweat-soaked seat to make toilet in a specially reinforced commode in the corner of the room.

In fact, Susan reckons she has not left her sitting room since 1998 – that's the year the much-loved Opal Fruits were renamed Starburst by cold-eyed, greedy moneymen in the confectionery industry.

Singleton Susan said: "It's not my fault I'm heavy, it's me glands."

Her life of eye-watering indolence is helped by £15,000 a year in State benefits and her long-suffering mum Eileen, who fetches grub, empties her waste pail, wipes her down with wet towels and purees her food.

Susan, of Kidsgrove, Staffs, explained: "I found that I could only eat about three or four pizzas at one sitting but then I had a brainwave.

"I asked Mum to chop them up, put them in a blender with some tomato soup and cream – hey presto! Pizza smoothie!

"Now I can gulp down up to seven pizzas in a sitting. Breakfast of champions!"

Doctors have given Susan "less than five years" to live if she does not lose weight, get some fresh air and do some exercise.

But the lump slobbered: "I'd like to lose weight but, to be honest, it sounds like a lot of hard work."

No wrath for 'gays to blame for flood' man

A COUNCILLOR who created a storm after he blamed the winter's floods on legalising gay marriage will not be punished for his opinions.

David Silvester (*above*) said the deluge of rain, floods and battering storms were God's way of showing His displeasure that gay people can legally wed.

He laid the blame at Prime Minister David Cameron's door saying he had "arrogantly acted against the Gospel."

His remarks caused a rash of condemnation and the 73-year-old UKIP councillor was expelled from the party.

Coun Silvester sits on Henley-on-Thames Town Council but chiefs on South Oxfordshire District Council investigated his comments and to decide whether it breached its code of conduct.

Five months on, a spokesman said: "The council's monitoring officer has decided to take no further action on the complaints."

On the third occasion the 44-year-old, of Paignton, was seen by a police officer. He was remanded in custody by Exeter JPs and will be sentenced next month.

MORGUE WORKER BONKED 100 DEAD BODIES

STIFF SENTENCE: Jailed Douglas has owned up to more sick crimes

By BRAD CHADWICK
news@sundaysport.co.uk

A MORGUE attendant has admitted he may have had sex with as many as 100 female corpses.

Kenneth Douglas was sentenced to three years in prison in 2008 after DNA from his semen was found inside the body of murder victim Karen Range, 19.

The crime only came to light after Range's killer, David Steffen, appealed his conviction for murder and rape.

Steffen admitted killing Range but denied raping her.

Douglas, from the city of Hamilton, Ohio, also pleaded guilty in 2012 to having sex with 23-year-old Charlene Appling on the day she died after being strangled. Douglas further admitted having sex with another woman, April Hicks.

He was sentenced for a further three years on each of the offences.

Now he has admitted to having had sex with up to 100 dead women between 1976 and 1992 while he worked the night shift.

"I would just get on top of them and pull my pants down," Hamilton said in evidence given to the 6th US Circuit Court of Appeals.

The extent of his crimes came to light as the families of Douglas's victims were told they could sue his employer, Hamilton County, by the court.

Douglas claimed that his behaviour was due to drug and alcohol abuse.

Crack

He said: "If I wasn't drinking, or hadn't had anything to drink when I went to work, it wouldn't happen. I'd do crack and go in and I'd drink and go in."

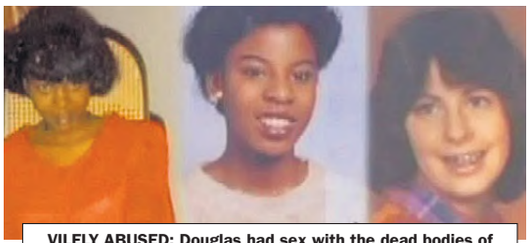
His wife Pat, also featured in a deposition video given to lawyers representing the victims' families, stating that her husband "reeked of pussy" whenever she picked him up from work, and that she contacted someone at Hamilton County about her husband's behaviour but was dismissed.

Hamilton County ignored the warning signs, said Al Gerhardstein, one of the families' attorneys.

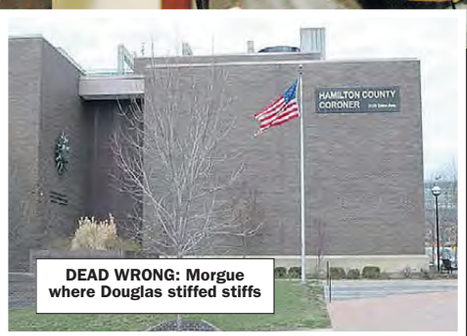
He added: "The county had plenty of notice that Douglas was coming to work and was present at work while he was under the influence of alcohol and drugs. Had he been stopped, these women would not have been abused."

Antronette Shirley, Hicks' older sister, told newsmen: "I imagine Kenneth Douglas pulling her out of a freezer, climbing on top of her just like he said and having sex with her.

"This will creep up in my mind until the day I die."



VILELY ABUSED: Douglas had sex with the dead bodies of (from l-r) Charlene Apping, April Hicks and Karen Range



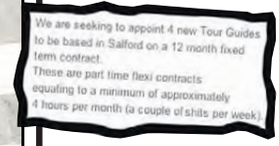
DEAD WRONG: Morgue where Douglas stiffed stiffs

ON THE JOB: Douglas had sex with corpses at work

Beeb offering new staff two shits a week!

JOBSEEKERS keen on roles as tour guides at the BBC's new northern HQ were stunned to find they'd be offered a minimum of two SHITS a week!

The Beeb advertised four 12 month fixed term roles at its new complex in Salford, saying: "These are part time flexi contracts equating to a minimum of approximately 4 hours per month (a couple of shits a week)."



We are seeking to appoint 4 new Tour Guides to be based in Salford on a 12 month fixed term contract.
These are part time flexi contracts equating to a minimum of approximately 4 hours per month (a couple of shits per week).

A BBC source said: "Obviously it was meant to say shifts, but some of the staff here say many a true word was spoken in jest."

Auntie moved to Salford's MediaCityUK in an effort to show that the corporation was not obsessed with London – but some 'celeb' staff still commute from the capital for presenting roles.

DAISY'S LOOKING FOR A HOL LOT OF FUN!

By JUSTIN DUNN
justin@sundaysport.co.uk

STANDING naked in the azure Mediterranean waters off the coast of Greece, Daisy Watts suddenly has a pressing question.

Modestly covering her delightful mimsy with her right hand, the 25-year-old asked: "I'm starving – anyone else fancy a kebab tonight?"

Cheeky Daisy, 25, whose mouth-watering 32Ds were raised in South Woodford, London, has been staying in Halkidiki for a week now.

But despite the local food and the magnificent weather, she still misses Blighty.

She said: "Here I am completely naked with no one to play with. I wish I had a man out here with me."

To the airport, driver!

Tossing by torchlight pervert is locked up

A SERIAL flasher who tossed himself off in front of women in their own homes for more than a decade has been jailed for over two years.

Stuart Arthur Clarke, 53, was found guilty of illuminating his cock with a torch before wanking it off in view of the householders then fleeing into the night.

Police said Clarke crept up to houses under the cover of darkness, then stood in front of a window or glass doors to perform his sordid unpleasantness.

Clarke has previously been convicted of a string of similar crimes going back 13 years.

Detective Constable Dave Millard said police had used infrared cameras and phone signals to link him to 29 other offences on which he was later charged.

Clarke, of Perth, in Western Australia, was also charged with burglary, theft and trespass and jailed for 27 months.

'Sex act' Sir is not guilty

A FORMER public school teacher has been cleared of sexual activity with a student.

Russell Woolwright, 30, was found not guilty of making the teenager perform a sex act on him during an encounter in an alleyway.

The economics teacher at the prestigious Canford School near Wimborne, Dorset, was forced to resign from the job in the wake of the allegations.

Claims that she carried out the sex act after he dropped his trousers in front of her were part of an"embellished" version of events, it was heard.

A jury took 90 minutes to find him not guilty of two counts of causing or inciting sexual activity with a girl as an adult in a position of trust.

WORLD EXCLUSIVE

I've paid £10k to watch Josie give birth

WITNESS: Graeme pays up to see a birth and a front bottom

SUNDAY Sport EXCLUSIVE

Meet Graeme who admits: 'I've never seen a lady's front bottom up close'

By JUSTIN DUNN justin@sundaysport.co.uk

MEET Graeme Mann – a whelk-stall owner who has flogged his business for the chance to stare up boob job benefit scrounger Josie Cunningham's funnel of love.

Graeme, 34, is one of two people to fork out TEN GRAND for the chance to be live at the birth of ex-hooker Josie's third child in October.

For that, Graeme and his fellow ticket holders will be able to film and take photos of the birth as well being getting travel and accommodation at Josie's home in Leeds.

The pregnant mum-to-be has already indicated that two others, who have paid just £5,000 each to be live at the birth, won't be allowed a place at the "business end" of proceedings.

Single Graeme, who lives in a shabby caravan park on the outskirts of Hull, said: "When I read about this I was drawn to it like a moth to a flame.

NOTORIOUS: Josie to spread her legs for public birth

Flesh

"I'm not getting any younger and the chances of meeting Mrs Right and having kids are getting slimmer and slimmer.

"So, to be there to witness the birth of a child, to see a new life coming into this world, well… what could be more beautiful to witness than that?"

He added: "The money means nothing to me. I can always set up another whelk stall, no problem at all.

"Besides, this will be the first time I've seen a lady's front bottom up close and in the flesh.

"The nearest I normally get is kneeling on the floor in front of the telly, furiously enjoying *Babestation*."

Josie, 23, first hit the headlines when she had a £4,800 op to boost her boobs from a 34A to 36DD on the NHS. She later caused outrage by asking her local council for a £6,000-a-year taxi to take her children to school.

Notoriety

Recently she started a website called *fundmynose.co.uk* to encourage people to pay towards a £3,000 cosmetic op on her "Miss Piggy" nose.

Josie also plans to flog 50 *Skype* users tickets for the live birth at £200 each.

Last week her mum Lisa, 50, said: "She wants the attention to be on her. She thinks that notoriety will make her happy."

Kidnapped man in cop probe was at a party!

A MAN who told his girlfriend he had been kidnapped as an excuse to stay out partying sparked an overnight manhunt.

The 32-year-old made the woman believe he was being held hostage and his "kidnapper" would not let him go until he'd paid a £50 debt.

In fact, he was enjoying himself at a house party in Bolton, Lancs, in the early hours of Saturday morning, Greater Manchester Police said.

Det Insp Jo Clawson said it was "without doubt one of the most foolish and irresponsible incidents I have been involved in".

The girlfriend, who was "beside herself", called police after speaking to his "kidnapper" on the phone and receiving a number of texts.

More than a dozen cops carried out house to house enquiries, checked CCTV and analysed phone data.

A man nicked on suspicion of kidnap was later released when he admitted the "ruse".

The timewaster got a fixed penalty notice.

Porn babe no to dirty arseholes!

BRIT porn star Tanya Tate is at the centre of an X-rated SHIT storm!

The Liverpool-born babe revealed that she once had to stop a scene half-way through because her co-star had a POOEY BUMHOLE!

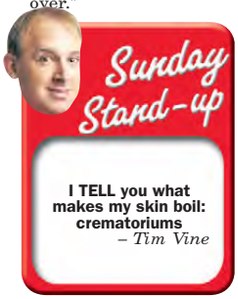
Tanya, 35, said she likes to "explore her partners' bodies" during hardcore bongo flicks – but it can be an unpleasant experience if they haven't wiped their arses properly.

And she also reckons there's nothing worse than going down on a STINKY minge!

The 34F sex symbol said: "I have seen fluffy belly buttons on girls, scabby feet so bad they had to keep their shoes on, and private regions not cleaned properly.

"Sometimes I can get away with avoiding the area but when it comes to an unclean vagina...I've stopped a scene and told them to go clean themselves again – including wiping their BUM.

"If the director wants a good scene from me, I need to be able to enjoy exploring my partner all over."



DOCTOR OOOH!

Time Lord's pal Madame Vastra TOPLESS

BOOBS YOU DIDN'T SEE ON BBC1 LAST NIGHT

SKIN FLICK: Neve as Madame Vastra and (far left) going topless in *Salvage*

AS *Doctor Who* allies go, scaly-skinned underground tunnel lurker Madame Vastra is not exactly easy on the eye.

Put her next to the Time Lord's pretty sidekick Clara, played by Jenna-Louise Coleman, and there's no contest.

But when she's not caked in make-up, actress Neve McIntosh is very different prospect indeed – and not at all afraid to take off more than her lizard-like special effects!

Scottish-born Neve, 42, who appeared alongside new Doctor Peter Capaldi when the series returned to BBC1 last night, has had FIVE roles involving nudity over the years.

In 2010 she starred in lesbo series *Lip Service* as a topless girl who gets tied to a bed by another beauty who then goes down on her!

And in 2009 she flashed her boobs and bush for the horror flick *Salvage*, when her character is interrupted while having sex.

One telly insider said: "I quite fancy her in the Madame Vastra outfit too, actually. Does that make me weird?"

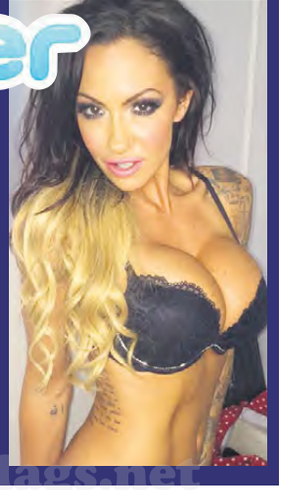
JODIE: I'M GOING TO SHAG ONE OF MY twitter FOLLOWERS

(Get Tweeting fellas)



SEX-STARVED glamour babe Jodie Marsh threatens to break the internet after announcing plans to BONK one of her Twitter followers.

Her outburst is sure to have red-blooded fellas flocking to befriend the beauty online, risking the total collapse of social network servers.

But Jodie, 35, is resorting to desperate measures after going without a shag for a whopping FOUR YEARS.

The top-heavy beauty, who sports substantial 32E breasts, revealed: "I'm not going to blow four years of celibacy on a guy who isn't worth it – and I only seem to meet idiots. I just want a normal guy and quick. I need a good seeing-to!

"I won't rule out meeting someone via Twitter. My followers get me."

Jodie, who is back on TV screens in October for a new TLC documentary called *Jodie Marsh On... Plastic Surgery!* says she's a bloke's dream scuttle. The brunette, from Brentwood, Essex, purred: "I'm not trying to be big-headed but I truly am every man's dream woman.

"I cook, clean, I'm successful, intelligent. I'll charm the pants off your mum, but then take you home and give you the shagging of your life, while dressing up, putting bondage gear on and letting you handcuff me to the wall. Who wouldn't want that?"

EYE SEE THEM: X-ray of Garside's colon shows the movie based toys therein

WHEN Paul Garside hobbled into the A&E department of Birmingham's Queen Elizabeth Hospital it was clear that something was very wrong.

By SIMON DEAN
simon@sundaysport.co.uk

But just *what* was wrong was hidden – up his ARSE!

For the jobless 34-year-old from Smethwick had inserted no fewer than EIGHT *Despicable Me* Minion toys into his rectal canal.

An X-ray established that none of the novelties had torn the delicate lining of singleton Garside's poo-chute and they were able to be removed using a non-surgical procedure.

His shame would have stayed private had the numbskull not posted his X-ray on a social media site.

Within minutes, thousands around the world had seen and commented on his predicament. Most, naturally, were less than sympathetic and variations on the theme of "daft c**t".

Speaking from his one-bedroom flat last night, Garside said: "Nothing exciting ever happens to me so the day I got eight Minions stuck up my arse sort of stood out.

"I posted it on Facebook, the first thing I've posted in three years, and although I've only got four friends online it soon took off and people were contacting me from all over the world.

"Eventually I turned off my computer because some of the remarks were quite hurtful."

Asked what possessed him to shove film tie-in novelties up his jacksy, Garside explained: "It's a fetish I have no control over.

"It started with *Star Wars* figures in the early 80s and it's been a part of my life ever since.

TOYS UP THE ARSE?

WHILE there is not yet a specific technical term for sticking film tie-in toys up your arse, there is a scientific word for most other fetishes you can imagine...

ACROPHILIA – Being sexually aroused by heights.

ALBUTOPHILIA – Arousal from water.

ALTOCALCIPHILIA – High heel fetish.

ALVINOLAGNIA – Stomach fetish.

AMYCHESIS – The act of scratching a partner during sex.

ARACHNEPHILIA – Arousal from play with spiders.

BOTULINONIA – Using a sausage as a dildo.

CAPNOLAGNIA – Arousal from watching others smoke.

CHEZOLAGNIA – Masturbating whilst defecating.

DACRYPHILIA – Refers to someone that is aroused by seeing tears in the eyes of their partner.

ENTOMOPHILIA – The use of insects for sexual stimulation.

FLATUPHILIA – Arousal from others passing gas.

FORMICOPHILIA – Sex play with ants/insects.

HARPAXOPHILIA – sexual arousal from being robbed.

JACTITATION – Excitement or arousal from bragging about their own sexual exploits.

BLE HIM

A&E doctors pull EIGHT Minion toys from oddball's bum

'It's a fetish I have no control over'

I had a little bit of trouble around *Jurassic Park* time, I can tell you.

"I thought the Minions would be quite an easy toy to put in and get out because of their shape. Well, now I know better."

Minions are the footsoldiers of *Despicable Me* villain Felonius Gru – a sentence that makes sense if you've seen the first movie, which hit the pictures in 2010, or last year's sequel.

Last night *Sunday Sport* made Garside's landlord aware of the bizarre anal-insertion antics going on his property and were assured the bum-fetishist oddball would be out on the street before the month is out.

SILLY ARSE: Garside can't stop shoving toys like Minions up his jacksy

DAWN: I call my boobs Ant 'n' Dec

TOP-HEAVY actress Dawn French has admitted she's named her massive boobs 'Ant and Dec'.

The busty *Vicar of Dibley* babe reckons her norks are so huge it's a wonder she can walk without toppling over.

And Dawn, 56, likens her mammoth 42G chest to another pair of prize telly tits – the Geordie hosts of ITV's *Saturday Night Takeaway*.

The bouncy funnywoman revealed: "My boobies? I call them Little and Large, or Wood and Walters.

"Or when I'm furious with them, which I quite often am because they're such show-offs, Ant and Dec. They arrive everywhere before I do."

Dawn, star of cult BBC2 black comedy *Psychoville*, says she recently had to prove that her breasts are the same size as a human head.

She giggled: "I was doing a radio interview and I decided to take my bra off and put it on my head, thereby proving that a whole head fitted into one cup of my 42G bra."

THAT'S NOTHING!

IDROPHRODISIA – Arousal from perspiration.

LAGNONECTOR – A person that kills in order to have sex with the corpse.

MELCRYPTOVESTIMENTAPHILIA – Attraction to women's black underwear.

MORIAPHILIA – Arousal from telling sex related jokes.

PECATTIPHILIA – Sexual excitement from stealing or sinning.

PEDIOPHILIA – Attraction to dolls.

PSYCHROCISM – Arousal from cold, or, arousal from seeking another that is cold.

PSYCHROTENTIGINOUS – Arousal from cold water.

STHENOLAGNIA – Arousal from a display of strength and/or the sight or muscles.

TAPHEPHILIA – Arousal from being buried alive.

VICARPHILIA – Arousal from another person sexual experiences.

JUST NIPPING OUT FOR A QUICK TUMBLE!

Beeb reality stars braless

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

YOU'LL be having a downstairs FUMBLE looking at this telly *Tumble* totty.

THE BBC's latest excuse for a talent show may have been panned as rubbish – but its selection of BUSTY women will certainly have you pummelling your horse.

The first series of *Tumble* kicked off two weeks ago, showing celebrities try their hand at gymnastics.

But fans will be hoping that former Sugababes singer Amelle Berrabah, 30, doesn't get booted off the show – after clapping eyes on her cracking BOOBS!

The Aldershot stunna revealed a nipple in a skin tight black dress on a night out in London in 2010.

But she's not the only nip flasher – retired Romanian gymnast Nadia Comaneci, 52, left her bra at home at the 2004 Laureus World Sport Awards.

TUMBLE
BBC1, SAT, 6.30PM

Biscuit compo for woman who was tossed at

A WOMAN who complained that a fellow customer had wanked at her while in a café was stunned when she was offered a BISCUIT as compo.

The woman, who cannot be named for legal reasons, is furious the manager refused to call cops until he had wiped up the SPUNK left by the dirty tugger.

She said: "I looked to my right and a man had his pants down and was masturbating in my direction. I screamed and ran to get a manager.

"The manager asked if I wanted a cookie or anything. I told him I wanted him to call the police. He asked which seat the man was in so he could clean it off."

When she later complained to police about the incident in DuPont Circle, Washington DC, she was told there was little cops could do without video evidence.

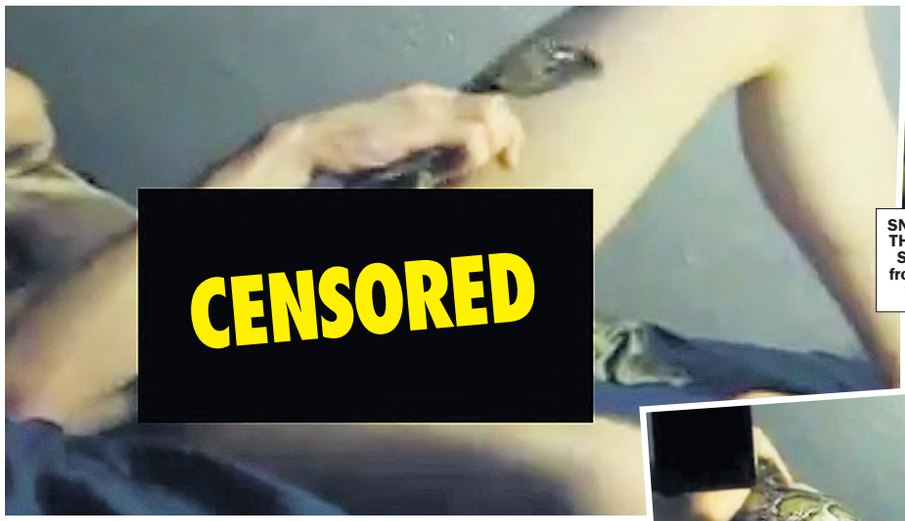
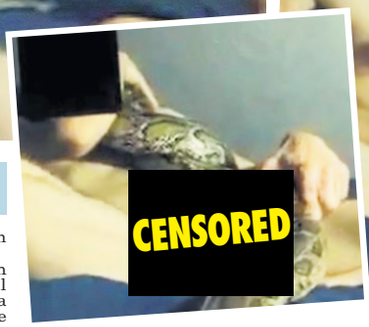
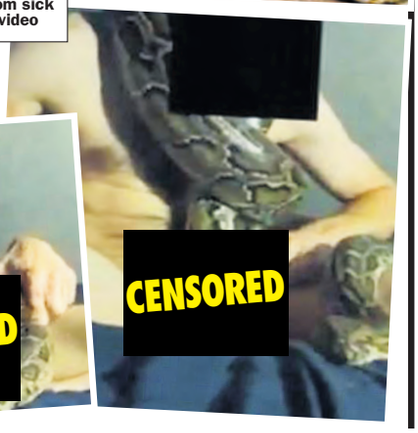
WEB CHIEFS BAN SICK SEX-WITH-SNAKE VID

(But only after millions have seen it)



SNAKE IN THE ASS: Scenes from sick video





A REVOLTING video of a man having sex with a SNAKE was banned by internet bosses – but only after it had been watched by countless millions around the world.

Extracts from the three-and-a-half minute video were posted on clip sharing site Vine and social media site Tumblr before horrified web chiefs pulled the plug.

The scene was almost instantly declared one of the most shocking videos ever put online, rivalling the notorious "two girls one cup" and the controversial "Belgian Biscuit".

The video contains two minutes of man-on-snake foreplay and then, eventually, full sex.

The man in the video slides his erect member into the snake's cloaca, a hole that is the home for both the ophidian genitalia and anus.

While millions of people have seen the video and shared it to general outrage and revulsion, there was a warning last night that the vile man-snake coupling film is ILLEGAL to watch.

Possession of the clip is an offence under Section 63 Criminal Justice and Immigration Act 2008, which forbids sick images of "a person performing an act of intercourse or oral sex with an animal".

Last night a legal source said: "I can't imagine why anyone would want to watch a video of a man having sex with a snake. Not when there are lots of lovely clips of ladies shitting in crisp packets to watch!"

SCOTTISH INDEPENDENCE JOKE

THE Queen is in Glasgow and she bumped into Alex Salmond.

HMQ: How nice to see you Mr Salmond.
AS: Nice to see you Ma'am. Now, what are we going to call Scotland when we win Independence? How about calling it a Kingdom, and then I'll be a King?
HMQ: No, we don't like that.
AS: Empire, and I'll be Emperor?
HMQ: No.
AS: Alright, so how about calling it a Principality, and then I'll be a Prince?
HMQ: No Mr Salmond, I suggest we call it a Country.

WHEELEY DRUNK!

A MAN was arrested for drunk-driving a Segway in Oslo – just three weeks after Norway lifted a ban on the two-wheeled vehicles.

REVEALED: NEW WARNINGS ON BOOZE BOTTLES

THIS is the sort of grim warning that could soon be on booze bottles to warn of the dangers of excessive drinking.

Last week the All-Party Parliamentary Group on Alcohol Misuse said cigarette packet-style labels should warn about the harmful effects of drinking.

One leaked draft label rams home to women that getting drunk could lead to them sleeping with an "unsuitable" partner.

Similar labels featuring ugly birds are planned for male drinks such as lager.

DEANO ON SUNDAY

SHOPPING at Lidl is a third cheaper than shopping at Tesco.

But there's another reason for shunning Britain's biggest supermarket. They employ the otherwise unemployable.

Do local councils insist that Tesco's employ the local dregs – the sort who are too slovenly to find jobs elsewhere - as a condition of getting planning permission for their hyper-stores?

Last week I was in a Tesco store and was served by some grossly-obese youth with half his breakfast in his straggly beard and the other half down his front.

Where do they find these people? And who thinks that these are the sort of people who should be representing a company in a customer-facing position?

A company that is too big for its boots and which takes customers for granted, maybe?

"CELEBRITY" Big Brother. It really is the gag that gets funnier every time, isn't it?

Apart from that benefits rat White Dee and Kellie Maloney, who I met briefly when she was called Frank, I have absolutely no idea who these people are.

And from what I've heard of CBB, I'd like it to stay that way.

BIG exclusive in one of the less-classy papers last week: young people have sex when they go to Magaluf.

I can only imagine this sort of tripe is written by people who never got laid when they went to the Majorcan fleshpot.

People like me, maybe. Been twice and didn't get by dick wet once. Bastards!

A BAG containing five cats' heads was found in Rusholme, Manchester, at the centre of the city's famous Curry Mile.

This is appalling and has made many people think twice about venturing out for a bhuna.

Everyone's knows that, properly prepared, the heads at the best bits of a cat. Mmmm. Eyeballs. Squishy.

FAT people are more likely to get dementia when they are older.

If you are hefting around vast piles of wobbling blubber and break into a sweat with the effort of blinking, I reckon you're pretty demented already.

You're right, Pope – kill these bastards!

LOATH as I am to salute popery, I have to say "Go Pope Francis!"

Last week His Holiness backed military action in Iraq to stop the bloody persecution of thousands of Christians by Islamist fanatics.

In a dramatic intervention, Pope Francis said military force could be justified against the murderous extremists of Islamic State in order to counter their 'unjust aggression'.

Once upon a time it was called "calling for a Crusade".

Meanwhile, who have we poor chaps in the Church of England got to lead us? Archbishop Justin Welby, who says we should: "document the human rights abuses in northern Iraq so that the perpetrators can later be prosecuted."

That isn't quite up there with: "Sharpen thy sword, head for the Holy Land and smite the Saracen", is it?

Now, I know that wading in and kicking fundamentalist arse is not exactly Christian. There's not much "turning the other cheek" in bombing men in turbans to atoms.

But when Jesus taught that, he had a bit of an advantage over the rest of us, what with being the Son of God and all that.

HOPE: Pope Francis and the sick beheading of James Foley (right)

Ramgaging

When we mere mortals see Islamonazis rampaging across the world filleting various innocent people, we want to retaliate.

The alternative is to say "Ho hum" and let the nutjobs of IS/ISIS/ISIL swarm across our lovely world until they are at the gates of Vienna and have reconquered Spain. (Yes, that's on their list, too)

Here in the West we may not have a perfect way of life. In many ways, the beardy hotheads are right when they say the West is decadent, corrupt, godless and greedy.

But most of us like the tolerance, open-mindedness and yes, fun, of our progressive society.

And while fighting is always dreadful, maybe what we've got is worth fighting for.

THE latest craze, hard on the heels of Neknominate and "planking" is the Ice Bucket Challenge, where participants – as you may have guessed – endure having a bucket of iced water emptied over their head.

At least this originally had a charitable purpose – to raise money for research into the horrific motor neurone disease.

And the feature *Midweek Sport* ran on the craze, featuring the heavenly Emma Green, was a joy to behold.

But imagine you are a space alien coming to our planet and see we humans spend our time emptying buckets of cold water over each other's heads.

You'd call in the Death Star as an act of kindness, wouldn't you?

CAMELOT?

(Maybe, if you stare at Merlin babe's boobs for too long...)

WHAT YOU DON'T SEE ON BBC1

GET 'EM OUTLANDER: Laura's boobs on show in hit series

By JUSTIN DUNN justin@sundaysport.co.uk

SHE played mystical Freya, the druid who captured Merlin's heart, only to become the lady of the lake when she died.

But those missing a bit of actress Laura Donnelly might want to get on TV bosses and demand they screen new U.S. telly series *Outlander*.

Because Laura, 32, goes topless in her role as Jenny in the show about a World War II nurse who gets transported back to Scotland in 1743.

It is the height of the Jacobite Rising and the Belfast-born beauty is seen struggling with English soldiers when her bodice tears open to reveal her perfect BOOBS.

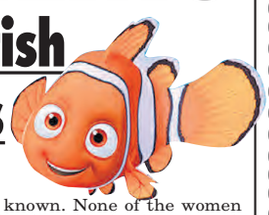
One production source said: "You can tell Laura was in *Merlin* because she certainly put a spell on us!"

At the moment the *Outlander* series is only on American channel Starz – so get phoning ITV and Sky, pronto!

MAGIC: Laura was Merlin's fancy piece

SQUISHING NEMO

Sicko filmed vile fetish fish-crushing videos



COURT EXCLUSIVE
By BARNEY SAMUELS

A FORMER bank manager who sold videos of naked women stamping on goldfish has narrowly avoided jail.

Keith Ho (*left*), 46, made "several thousand pounds" filming the gory scenes and flogging the sick so-called "squishing" films to perverts via the internet.

Squishing – where nude models harm fish, small mammals or insects – is a worldwide phenomenon and one of the most bizarre fetishes known. None of the women featured in the videos has been traced.

Ho, of Woolwich, south London, admitted being involved in animal cruelty and publishing an obscene article for gain. He was handed three months in jail, suspended 12 months.

Meanwhile, an arrest has been made in connection with a controversial "fish-crush" porn video. The suspect was arrested in Sea Point, Cape Town, and has been charged with the production of porn, but it remains unclear whether anyone has been charged with animal cruelty.

The scandal broke in June, when local girls were implicated in films which showed them crushing small creatures while performing sex acts.

Grisly execution for sex killer beasts

By JUSTIN DUNN justin@sundaysport.co.uk

UKIP is to debate the return of the death penalty – with one member calling for nonces to be stung to death by JELLYFISH!

The party has been asked to consider the grisly punishment by a party member fed up of "soft" prison sentences for child-sex killers.

It comes less than a fortnight after UKIP health spokeswoman Louise Bours said she believed it was time to reintroduce capital punishment 50 years after it was abolished.

Ms Bours' announcement – which is not official party policy – sparked huge debate in online UKIP discussion forums.

One contributor, JonLiv4@EastAnglia, said: *"When the death penalty was abolished we were promised life sentences would mean life, which of course they don't do at all.*

"Our forensics have moved on dramatically in the last half century so the chances of a miscarriage of justice is virtually non-existent.

"If the bleeding heart brigade want to shy away from the noose or the electric chair, how about a 'green' capital punishment – death by jellyfish. A convicted child-sex killer could be lowered into a pool of Portuguese men o' war and let nature do the rest."

Unlike the other three main political parties, UKIP – led by Nigel Farage (above, right) – does not operate a "whip" system where party leaders tell members how to think.

At local level they are "expected and encouraged to do everything they can to reflect and represent the views of those that elected them", said an insider.

No one from UKIP was available for comment but one source said: "It'll go into the suggestion box along with everything else."

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

DAVID Cameron cut short his holiday in Cornwall for 24 hours this week to rush back to Downing Street and deal with the crisis following the beheading of journalist James Foley in the Middle East.

Just what was the fat-faced ct planning to do? Take to the skies in a helicopter gunship and hunt down the heavily-disguised Jihadist who committed the atrocity? Was he f**k.**

It's obvious what happened – a couple of days in Cornwall with the wife and kids and Dave was saying to himself 'fk me, why did I sign up for THIS?'**

'I know – I'll head back home and pretend to deal with whatever's in the news for a day or so.'

He'll have got a few cans in, ordered a takeaway and stayed up late watching some high-class bongo before heading back to his shitty holiday.

We've all done it, mate.

EVERYONE is going mental for the 'Ice Bucket Challenge' at the moment, where arseholes on social media nominate each other to have a bucket of cold, icy water tipped over themselves.

I don't even know if any money is being raised – it just looks like a bunch of twats trying to make themselves look great – f**king sickening.

It's a probably a rip-off of my 'Ice F**k It Challenge' from a few years ago, when me and my mate, Stevie The C**t snuck into a posh party and tried to bang an ice sculpture of the Venus De Milo.

LOUIS van Gaal reckons that it could take at least four months for him to get Manchester United on top form again, which is great news for fans who hate the team.

He says that we won't be able to see the subtle changes he's making until it all comes together.

I might not be an expert in the subtleties of top flight tactics but one thing that I am certain of is that the weird Dutch fker has got a face like a smashed cinema seat.**

JOHN Lennon's killer, Mark Chapman, has been denied release yet again after serving 33 years for the murder of the Beatle.

The parole board reckoned that his crime still outrages society and that he hasn't fully paid the price for it.

After hearing recent albums by Paul McCartney and Ringo Starr, I reckon Chapman should be released tomorrow, tooled the f*** up and given GPS co-ordinates of the locations of the surviving Beatles.

JOY AT LAST FOR LONG-SUFFERING RAIL PASSENGERS:

TRAIN HOOKER FREEZES FARES

INTER TITTY: Fair play to Kat, who's kept her bonking fares on hold

By NEIL GOODWIN neil@sundaysport.co.uk

A MOBILE prostitute who sells sex on Britain's rail network has announced a tempting PRICE FREEZE on her saucy services.

Passengers are set to be hit in the wallet next year as train fares increase by as much as 5½ per cent from January onwards.

But generous brunette Kat Lee – who specialises in romping with paying clients in carriage toilets – says she WON'T be upping the cost of her shunting shenanigans. Gorgeous Kat, a busty 34FF, told *Sunday Sport*: "I think it's disgraceful how big rail companies are allowed to increase their fares above the rate of inflation.

'A blowjob and a finger of my bumhole is £80 – same as it was in 2009'

"But I won't be fleecing my loyal customers. In fact, I haven't increased my rates for a few years now. A quick blowjob, and maybe a little finger of my bumhole, is £80 – the same it was five years ago."

Kat has recently switched the trains from which she peddles her £150-an-hour services.

The Sunderland-born babe used to operate on Virgin locomotives going between Manchester and London, but work on CrossCountry trains between Leeds and Edinburgh – nipping into the bogs for a cheeky fumble.

The 27-year-old said: "The trains to Edinburgh are full of stag dos – and they're all randy, drunk and looking for fun.

"It's easy pickings, and beats the boring business types I used to pick up."

Tips on Tits

TIP OF THE WEEK

HULL City will be looking to secure two successive league wins as they welcome Stoke City to the KC Stadium today.

Steve Bruce made nine changes for their Europa League encounter against Lokeren on Thursday, but the players who missed that match are expected to return.

I'm backing Hull to win and both teams to score at 5/1 at William Hill.

CAPTION CONTEST

WIN £50

WE loved your entries this week, WAT-ER way to make us laugh.

And while nobody FLOPPED, one entry really made a SPLASH. This weeks winner was **Tom Wade from Rhyl** with: "Sneak pic of the next series of Splash! Looks like it's going to be a big flop!"

Well done Tom, a cheque will be on its way to you this week.

And while not everyone can take home the top gong, there were still plenty of other entries that had us chortling.

Alexander Dutton, Kinmel Bay: "Okay . . . What joker super-glued the diving board?"

A. R. Hall, Porthcawl: "Thank f**k he's not on the top board – or we'd have a bloody tsunami."

Andy Berry, Welton: "You've got to have guts to do that, but he's having a whale of a time!"

Gerry Exall, Weston-Super-Mare: "Well they say it takes a lot of guts to attempt a dive from that distance."

Michael Degnan, Bishop Auckland: "I'll do a length while they restock the all you can eat buffet."

Mark Nevin, Glasgow: "I've joined the weight watchers swimming club. One lap of the pool then in for my pies, chips and beans."

Now it's YOUR turn to see if you can win a cool £50 with your wit.

Just come up with a caption for the pic above, fill in the coupon and send it to our swanky HQ: Caption Contest, C/O Sunday Sport, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.

Entries must be with us by Friday.

Best of luck, folks!

VERONICA MASON
AGE: 20

FAVE FOOD: Nandos
FAVE DRINK: Voddy and tonic
FAVE FILM: *Wizard of Oz*
FAVE ACTOR: Robert Patterson

SIAN WEBSTER
AGE: 20
FROM: Cardiff
STUDYING: Tourism
UNIVERSITY: Manchester
FAVE FOOD: Cheese omelette
FAVE DRINK: White wine
FAVE FILM: *Moulin Rouge!*
FAVE ACTOR: A young Bruce Willis

BEST SEX TOY

VERONICA: Have you got a favourite sex toy?

SIAN: Yes, my fingers. I've never tried a vibrator but I can't see one being as good as my fingers.

VERONICA: You should try a Rabbit vibrator, it's amazing. It's similar to having a willy but it's readily available whenever you want it. I love using mine.

FAVOURITE POSITION

SIAN: My favourite is missionary because I like being able to see the guy's face. It's more intimate.

VERONICA: I can never have an orgasm in the missionary position. Can you?

SIAN: They're the best orgasms because they're so intense.

VERONICA: I like sex when it's me on top. It's especially good if the guy's willy isn't very big because it goes in deep so you can make the most of what you've got.

FIRST-TIME SEX

SIAN: Can you remember what your first time was like?

VERONICA: It was surprisingly brilliant. I was 19 and my boyfriend and I were virgins when we decided the time was right.

SIAN: Was it over quickly?

VERONICA: No, he managed to go for about half an hour and it felt nice. I thought it was either going to feel horrible or last just a few seconds so I was pleasantly surprised.

SIAN: I lost my virginity when I was 16. My boyfriend only lasted five minutes and I was too nervous to enjoy it.

VERONICA: Not what you expected?

SIAN: No, I thought it was going to be great but it didn't live up to the hype. Luckily it gets better quite quickly.

WILLY SIZE

SIAN: My last boyfriend has the biggest willy I've ever seen. He had a bigger todger than most porn stars.

VERONICA: How big was it?

SIAN: A good 10 inches long and reasonably fat too. The first time we slept together the lights were off so I couldn't see what was coming but I soon felt it. The sex was definitely better than other willies that I've had even though it hurt a bit at first.

VERONICA: I don't think size matters. I've had just as good a time with a small one as I have with a big one. It all depends on what they do with it.

SIAN: What's the biggest you've had?

VERONICA: It was about eight inches. The sex wasn't that good because he was too lazy. Guys with smaller willies work at it a lot harder.

DRESSING UP

VERONICA: Do you ever dress up for sex?

SIAN: Yes, I'm a regular at Agent Provocateur and I've got four sexy costumes from their amazingly sexy Dita Von Teese lingerie range.

VERONICA: Have you had a good reaction from guys?

SIAN: Yes, guys go wild when you make the effort to dress up. It's definitely worthwhile.

VERONICA: I've got a nurse's outfit but I've only worn it once. It was a present for my boyfriend and it spiced up our sex life no end the night I wore it.

SIAN: Why haven't you worn it since?

VERONICA: Because we had sex for 12 hours and I couldn't walk for two days after the last time. I'm saving up my energy for the next time I wear it.

WILD FANTASIES

SIAN: Which of your fantasies have you gone on to live out?

VERONICA: It was just last month when I had sex with my fella in the shower and that's something I've fantasised about doing for ages.

SIAN: Was it as good as you thought it'd be?

VERONICA: Yes, it was such a turn-on having water beating down on you when you're having sex. Now I want to do it during a thunderstorm because I bet that's kinky.

SIAN: I lived out my fantasy when I let my boyfriend shag me on his car bonnet.

VERONICA: That sounds fun.

SIAN: It was great and just like I thought it'd be. It was the thought of getting caught that turned me on. We ended up leaving dints in my boyfriend's bonnet we were so rough, it was great.

SNOGGING GIRLS

VERONICA: Kissed many girls?

SIAN: Yes, whenever I go out with my mates we all seem to end up snogging each other for a laugh. It just happens every time!

VERONICA: Does it turn you on kissing a girl?

SIAN: No, I don't fancy girls. It's nothing more than a bit of a giggle. I would never go further.

VERONICA: I enjoy kissing girls as well because it gets you loads of interest from fit guys.

BUM FUN

SIAN: Are you into bum sex?

VERONICA: No, I've never tried it and I doubt I ever will. I can't see how it could possibly be nice so I won't be going there.

SIAN: I've never fancied trying it either. Everyone says it hurts and I can't see how that'd be fun.

KINKY SEX

VERONICA: I had sex in the cinema once. I'd been watching *Fast And Furious* with my boyfriend and it was boring so I decided to spice things up.

SIAN: Did you actually have sex?

VERONICA: Yes, it was about 11pm and we had the back few rows to ourselves so we went for it. It felt exciting doing it in public but I think a few people noticed us because they started moving seats. It was funny.

SIAN: Sex in public is funny. I once pulled my boyfriend off under the table during a lecture.

VERONICA: Did no-one see?

SIAN: No, I did it as discreetly as possible. He pulled a weird face when he came though and the lecturer noticed and asked if he was OK. It was hilarious.

STUDENT SEX LIVES

CHARLOTTE: Do you think students have the best sex lives?

MARIA: Yes, it all goes downhill when you get older so students get all the sex they can while they're young.

CHARLOTTE: I think they have better sex lives too. There are more people to choose from and everyone shags everyone at uni. Variety is the spice of your sex life at uni. Everyone is away from home for the first time and there's no listening for the sound of your mum or dad on the stairs!

'Guys with small willies work at it lot harder!'

LISA DUFFY

By JUSTIN DUNN

IT'S your worst nightmare on a summer's day.

You go for a singleton stroll down to a secluded beach, camera in hand hoping to snap some of the local wildlife.

But all the birds are scared off by the STARK NAKED girl frolicking around on the sand!

Leeds lovely Lisa Duffy likes to do just that, even when our spawny snappers are not around.

Lisa, 24, who sports 34C boobs, admitted: "I've got into trouble doing this before.

"I was on holiday in Scarborough when I was 18 or 19 and just had this yearning desire to be naked on the beach.

"Everyone's virtually nude on the beach anyway, but I moved away from the crowds and slipped my bikini top and bottoms off and went into the sea.

"People must have realised what I was up to though, because there was a cheering welcoming committee waiting for when I got out!"

HANNAH HAS GOT FOREPLAY LICKED!

By NEIL GOODWIN
neil@sundaysport.co.uk

THREE isn't a magic number for raunchy model Hannah Claydon....it's SIXTY-NINE!

That's Hannah's favourite sex position, because she loves an erotic bout of mutual oral nookie.

The ultra-busty babe, who boasts incredible 38H boobs, purred: "I'd probably say that 69 is my favourite sex position.

"I like a lot of foreplay beforehand.

"It's fun because you can both enjoy it and it's a bit more intimate than other positions.

"Obviously I enjoy other ones, like missionary and doggy style, but if the foreplay's good then you're bound to be in for a good time.

"I like to mix it up though and enjoy every position possible – now that sounds like fun!"

Dear Katie,

THERE's a barmaid at my local who I've wanted to bone for ages. She's 19, blonde, with lovely 36DD tits and has been known to put it about a bit.

One night a couple of weeks ago I offered her a lift home after last orders.

I could hardly believe my luck when she invited me in to her flat.

As soon as we got there she had her tits out and my cock in her gob.

As I was about to come she led me to her bedroom and told me to take her from behind. She was loving it as I pounded away and it wasn't long before I s***ked.

I shagged her again and was just about to leave when she asked me for £30.

She says I can shag her any time I want for £30. I'm now 63 and divorced and reckon it might be the best offer I'm likely to get. What do you think I should do? *RH, East London*

Katie says...

IF you're lucky you might be able to knock her down to £25!

Dear Katie,

I HAD a big win on the Lottery last year and moved to a new house in the posh area of town.

A couple of weeks ago one of my neighbours, a blonde in her 40s, invited me and my wife to a wine-tasting party at her house.

I thought it sounded a bit poncey but decided to go and meet the locals.

When we got there the house was buzzing with fit women everywhere.

The wine came out and after a few glasses I noticed that some of the women were stripping off and were heading to the swimming pool.

Straddled

I felt like I had gone back in time and was watching a Roman orgy.

Then my naked neighbour came up, told me she fancied me and asked if I wanted to play. She led me to the Jacuzzi just as I watched my wife walk into the snooker room with my neighbour's husband and another bloke.

As we got in the hot bubbling water my neighbour straddled me and eased me into her. She had an amazing body for her age — about 45 — but I came too quickly because I wanted to see what my wife was doing.

I got grabbed a towel and eased the snooker room door open to see my naked wife sprawled on the table getting it at both ends.

There's another "wine-tasting" party next week and she wants to go, but now I'm not sure I want other men screwing my wife. What do you think? *PM, East Anglia*

Katie says,

THESE parties sound great. Why not go snooker-loopy, and enjoy the next one?

Dear Katie,

I HAVE discovered a foolproof way of waking up my lazy husband between the sheets.

He works hard but it takes a major effort by me to get him interested in sex I have to haul on his tool until it starts to stiffen, then go down on him and suck and blow for all I'm worth.

If it wasn't such a magnificent beast when fully roused, I think I'd have traded him in for another model before now.

One night last week after I got the monster working and it was sliding in and out of my hot pussy, I felt it start to subside.

My bloke was half asleep and I was so cross that I reached out to the bedside cabinet, picked up my hairbrush and bashed him sharply on the arse.

It had an immediate effect, causing my fella to spring fully awake and his love truncheon to stiffen like iron. Now all I have to do is wave the brush at him and his dick springs to attention. *MN, Hants*

Katie says...

JUST as well you didn't give him the brush-off!

AGONY WITH Katie Ryder

Age 24, 30G-24-34, from Preston

I invited mates to help me get it up!

Dear Katie,

I'VE been married for 14 years but six months ago I went completely off sex.

The missus is highly-sexed and it hit her very hard when I just couldn't get hard myself.

We tried all sorts to get me aroused — blue movies and porno books — but nothing did the trick.

Then I hit on the idea of her shagging one of my pals from down the boozer. I asked her if she fancied it and after much thought she agreed.

Licking

I arranged for my mate to come round and I stayed downstairs watching TV while they went to the bedroom. I could hear them having dirty fun and it was great to listen to the wife enjoying orgasms after orgasm again.

I was in the pub a few nights later when the guy who'd screwed the wife mentioned our arrangement and two of my other mates expressed an interest.

She was all for it so the following Friday night after we'd all had a skinful the four of us went back to my house.

I took them upstairs and they stripped off and piled into the bed with her. This time I decided to stick around and watch. There seemed to be erect cocks EVERYWHERE!

The missus sucked all three of them off in turn and they all took turns going down on her, licking and sucking her hot minge and rimming her rusty bullethole.

Then they each f***ed her and she had climax after climax.

At one point she was sucking on one dick while another pal was in her chuff and the third was prodding away round the back at her dirt-box.

It was at this point that I felt a stirring in my pants. I was overjoyed so I stripped off and joined them.

Since then I've managed to get loads of stiffies — but only after watching my mates giving the missus a shafting.

It's like I need my mates to give my cock a kick start and after that I'm raring to go solo!

Incidentally, the wife thinks our arrangement is terrific. Are we being a bit odd? *DB, Beds*

Katie says...

AS long as everyone is happy, I don't see a problem.

Dear Katie,

MY girlfriend is great — she's 21 and lets me take her in every hole.

Her best feature, in my opinion, are her 34GG boobs which she uses to give me the greatest tit-wanks.

Crouching above her face, I point my knob between her mounds.

She manipulates her boobs from below, easing their fleshy softness up and down my shaft and it doesn't take long before I shoot my load south.

Lubrication

We also do it the other way round with my cock pointing straight up between her orbs.

With a little bit of lubrication, I enjoy shooting my load all over her face.

Her mum, who must be 50, is endowed with a pair of similar in size to my girl's.

She must have noticed me ogling them at the dinner table the other day because as we sat side by side, I felt her hand on my thigh and then on my todger.

Tit-wank

Later, as we washed up together, her mum whispered that she'd give me a tit-wank as her daughter had told her how much I liked them.

I called in on her on my way home from work and I realised where her daughter got her talent from.

Her mum had me rigid in seconds on the stairs and I pressed my tool between her milky white breasts.

She jiggled them up and down and I shot a load over her shoulder. Do you think I should give her another go? *DC, Lancs*

Katie says...

I'D steer clear. The good thing is that if she takes after her mum, your girl will still be giving 'em to you when she's in her 50s.

Dear Katie,

ME and my girlfriend have been living together for two months and she is still up for almost anything — she's even let me take her up the bum a couple of times when she thinks I deserve it.

One thing in particular that she loves doing is giving me oral which she will do at the drop of a hat and often without warning!

When I get home from work at 6pm she's often waiting behind the door on her hands and knees ready to unzip me and take me between her hot lips.

She has a great technique and is an expert at deep throat, taking my full shaft right in before slowly pulling ball and teasing my bell-end with her tongue.

Sometimes she adds spice to the event by popping an ice cube in her mouth to make it cold, then drinking a swig of tea to make it hot — I can barely hold back my cum when she does that.

But my problem is that last week I arrived home with a workmate. I had to get something out of the boot of the car and he went in first.

And guess what happened? Yes, got it in one, my girl was stark naked behind the door and made a grab for his bollocks as he walked in.

When she realised it wasn't me she screamed in fright and fled to our bedroom,refusing to come out.

My mate was so embarrassed he's giving me a wide berth and now my girl won't speak to me — let alone give me my nightly gobble.

What can I do to sort out this awkward situation? *CG, Hants*

Katie says... **SWALLOW hard, tell her it wasn't her fault and hope normal service is resumed soon.**

ETHEL GOES ON A SOLO HOLIDAY & FINDS IT HARD

Katie says...

ONCE upon a time the idea of an elderly matron going on holiday on her own was considered unusual, fanciful even.

But thanks to specialist holiday firms like the distinguished Saga, individual holidays for the older person are now familiar and quite normal.

And many a matron has found herself seduced by some dark-eyed Slavic youngster who has his dirty fingers in her purse the moment he's lost his mess.

Ah, travel does so broaden the mind.

College offers courses in porn

By NEIL GOODWIN neil@sundaysport.co.uk

TALK about getting your 'A Levels' – randy students are being urged to enrol at PORN COLLEGE!

The X-rated educational establishment has been set up by Pegas Productions, a bongo movie maker based in Quebec, Canada.

Spokesman Michael Racette say they're aiming to turn nervous male and female performers into confident screen shaggers.

He said: "Being a porn star is a dream job for many, but it's easy to see only the dream and forget that it's also a real job.

"We aim to lessen the effect of stress by gradually familiarizing candidates with the real conditions on a professional porn set, minus the performance anxiety.

"Students are also given concrete tips and tricks to help them in their performance. For example, they learn how to recognize — and fix — common mistakes, how to position themselves in order to give the camera the best possible angle and what to do if suddenly their tool runs out of gas.

"So, from the get-go, they will benefit from what normally takes months or even years of trial and error.

"Our classroom looks exactly like a real classroom at school, combined with elements from an actual porn set — cameras, tripods and spotlights — to give people a feel of the real thing."

FEELING BLESSED: Hamilton

Lew loves a No.2

FORMULA ONE

Hungarian GP – Today, 1pm, BBC1

LEWIS HAMILTON reckons missing out on pole will be a blessing in disguise today.

The Brit was out-qualified by Mercedes team-mate Nico Rosberg for the fourth time in a row at a rain-hit Spa-Francorchamps yesterday.

But, given the man on pole has only won six of the last 14 races in Belgium, Hamilton admitted to being far from disappointed.

"In previous years, P2 has been the best place to start here, so I feel quite blessed that's the case," said Hamilton.

"I started on pole here last year and Sebastian Vettel flew past me down the straight, so second gives you the best opportunity here at the start.

"To be honest, I'm just happy to be here because I went into qualifying not knowing if the car was going to make it through.

"I'm grateful for all the hard work the team has put in to ensure we have no problems. It's a great feeling to be back up here." Rosberg naturally disagreed with his team-mate, saying: "I'm just happy to be first. First is the best position for the race."

Mercedes were even more dominant than usual in qualifying, with Red Bull's Vettel more than two seconds adrift of Rosberg in third.

The German was narrowly ahead of Ferrari's Fernando Alonso in fourth, with Red Bull team-mate Daniel Ricciardo fifth.

Jenson Button starts 10th in his McLaren, while Marussia's Max Chilton lines up 20th for a race anticipated to be dry.

RUGBY LEAGUE CHALLENGE CUP FINAL

IT'S SIN THE BAG AT LAST

Leeds skipper's relief at 6th time lucky

Leeds	23	Castleford	10

KEVIN SINFIELD was a relieved man after getting his hands on the Challenge Cup at the SIXTH time of asking.

The 33-year-old Leeds skipper played in five of Rhinos' six losing finals since they last won the trophy in 1999.

But two tries from Lance Todd Trophy winner Ryan Hall and further scores from Tom Briscoe and Danny McGuire ensured an end to their cup final pain.

Sinfield said: "We've obviously been to the final a few times and come away with second prize, so it's a massive relief to finally get over the line.

"It just goes to show that sometimes you have to persevere.

"To lead the side out five times at Wembley and have to walk up the stairs after the game having lost is tough – it sticks with you.

"But hopefully to all our fans, family and friends, today makes up for it."

TWO TRIES: Ryan Hall

Powered

The Rhinos made all the early running and it was no surprise when right winger Briscoe went over just four minutes in.

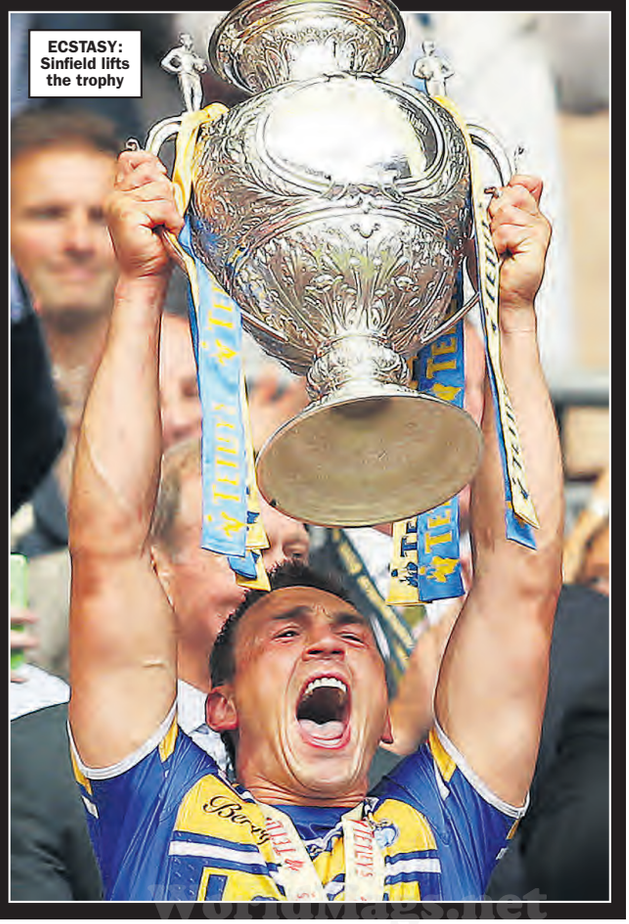
Sinfield kicked the first of his three goals, but Castleford struck back when Daryl Clark picked up Marc Sneyd's grubber kick and spun out of Zak Hardaker's tackle to touch down.

Sneyd failed with the conversion – and from then on Leeds were firmly in control.

McGuire took Lee Burrow's high kick to score his first cup final try on 17 minutes. And a 50-metre break from Hardaker set up Hall to grab his first of the game and give Leeds a 16-4 half-time lead.

Cas were right back in the game six minutes after the break when an Oliver Holmes try and Liam Finn conversion cut the deficit to just four points.

But there was no way back for the Tigers when Hall powered over for the deciding score on 66 minutes, with Sinfield's conversion and a late McGuire drop goal the icing on the cake.



ECSTASY: Sinfield lifts the trophy

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

Gym'll fix it for Mack!

MONEY TRAIN: Matthew Macklin has put his cash into a gym in Marbella

MATTHEW MACKLIN has finally found a place to call home after more fighting houses than a lifelong squatter.

The Brummie middleweight became so fed-up travelling to different gyms in Britain and America that he invested his savings into his own MGM gym in Marbella.

He is launching his fourth world title assault from there later this year, but scrapped plans to box in Dublin next weekend after trainer Jamie Moore was shot.

Macklin, 32, decided he'd had enough of training around the globe while preparing for his Madison Square Garden world title challenge against Sergio Martinez in March 2012.

"I remember when I fought Sergio I'd been living in New York for about eight months," Macklin told *Lillo's Ringpiece*.

"I boxed him on St Patrick's Day and had been training since early January staying in rented digs near Battery Park.

KNOCKOUT: Martinez

Insane

"After 5pm it was dead because I was in the Financial District and it was freezing.

"Although I love New York, I was sick of hotels and renting.

"By the time the fight came, I couldn't wait to get out.

"A certain amount of solitude can help in the last couple of weeks, but when you're stuck in rented accommodation for 12 weeks and doing a pub crawl of Starbucks, you start to go insane.

"I thought enough was enough. I was financially secure and Marbella was home from home.

"A local car park had closed down and a friend had the idea to convert it."

Apart from the Martinez loss, Macklin's world title setbacks were a controversial loss against Felix Sturm in June 2011 and a painful three-round belting from Gennady Golovkin last year.

Although Macklin has a fierce Brummie accent, his family are from Ireland and he's a popular figure there – all 2,500 tickets for his postponed fight against Heiland sold out in three hours.

Macklin added: "The John Duddy fight never happened.

"While it can still be made, everyone involved should do their best to make it happen."

STEELER THE MONEY

Goodwood expert to strike again

By MIKE FRANCIS

STEELER has a glorious record at Goodwood and can strike in today's Doom Bar Supreme Stakes.

Godolphin's colt has won twice on the Downs, when trained by Mark Johnston, and warmed up for this Group Three with a good effort back at the same track for the Betfred Mile.

Despite having been lumbered with an outside draw, the son of Raven's Pass charged home with zeal to get to within three-quarters of a length of the winner, Red Avenger.

Before that, he confirmed his well-being with an honourable third in the Royal Hunt Cup at Ascot in June.

Versatile in terms of whatever the ground is like, the dip to seven furlongs is of little consequence given he has collected twice over course and distance.

Steeler was also a Group Two winner as a juvenile, when victorious in the Royal Lodge at Newmarket, so he is entirely worthy of running at this grade.

Things have not gone so smoothly since his switch to Godolphin — he was not sighted at all in 2013 — but, as such, he remains much more unexposed than most of these, and is obviously in fine fettle.

MADEED is respected when he takes the plunge in the Harwoods Group Handicap.

Beaten

In theory, Brian Meehan's sparingly campaigned colt seemed to not quite get home on his first try over this mile-and-a-quarter trip towards the end of July.

The son of Nayef finished third, beaten a length, but was possibly at the end of his tether late on as Lyn Valley took top honours.

That may not tell the full story, though, as Madeed became embroiled in a long tussle with another rival after he gained the lead a furlong out. This arguably proved his downfall, so it would not be a big shock if connections deployed slightly more protracted tactics upon his return to Goodwood.

A winner at this track over a mile last August, memories of his final flourish in the Britannia Stakes at Royal Ascot, where he finished seventh, should not be forgotten when assessing his credentials for this race.

The drop in distance at Yarmouth should do it for FLOW, who contests the toteexacta Handicap.

Lady Cecil's developing four-year-old has already won over a mile by the seaside, and was hardly outraged when fourth in a good nine-furlong handicap at York on his last outing in June.

Flow looked the winner for a long way on the Knavesmire before he grew a little tired late on and had to be content with third spot behind Spirit Of The Law.

Although he had previously caught the eye over a mile and a quarter earlier in the year, it still makes logical sense that his trainer has opted to revert to seven furlongs.

Lady Cecil will also be satisfied that Flow has been left well alone on a mark of 92 for what appears his easiest challenge for quite some time.

WATER THIEF is a relatively optimistic shout to get off the mark at the third attempt when he goes for gold in the EBF Old Crossleyans Rugby Club's 90th Birthday Median Auction Maiden Stakes at Beverley.

DOG LEADS BY MICK LIVESEY

Kane is King of the stayers

TONIGHT at Henlow there is a fantastic card featuring some sensational races all running in the name of the fantastic dual Derby winner Westmead Hawk.

The dog that brought about the famous commentary from the sports number one race caller Errol Blyth who said 'Oh My God' the Hawk did not only win two Derbies but also took the breeding world by storm by becoming the best sire of his time.

It's a fitting tribute to hold all these races in the memory of one of the greatest greyhounds we have ever seen!

The feature event is The Westmead Hawk Memorial A1 final worth £5,000 to the winner. The great Westmead Hawk was trained by Nick Savva and he is three handed here, what a story if he could win this race. I think he stands every chance with Westmead Alexis, Westmead Chris and Westmead Lola with the aforementioned getting the vote.

Alexis has the early pace to race clear from trap one and if doing so will be hard to beat.

The greyhound I'm most looking forward to seeing is the brilliant TV Trophy champion King Kane. He smashed the track-record that night and I can see him adding the £1,000 to the winner prize here. King Kane could go on and be the best marathon dog of his generation under the guidance of Diane Henry they seem a match made in heaven.

Stress Force has been running so well for Carol Grasso he gets a confident vote in the £500 to the winner standard final. He possesses that magic ingredient; blistering early pace and if he comes away in his best fashion he can have the race put to bed in the blink of an eye.

Oscars Cobra sprung a surprise in the heats of the sprint competition when winning at 6/1. He's a fair dog but perhaps guilty of not being the most consistent of greyhounds.

If he follows up last weeks good display with a similar effort he can take this £500 final for Romford trainer Jim Reynolds.

Parish making a Crystal mess of it!

OH DEAR! Parish & Mackay *(inset)*

POOR old Crystal Palace. Just when their fans thought it couldn't get any worse, it does.

Steve Parish may be getting support from some quarters for allowing Tony Pulis to leave, but I haven't heard a single Eagles fan who agrees with the decision.

Then, just when Malky Mackay seemed to be the obvious choice to be reunited with director of football Iain Moody, it turns out the pair are about as suitable for employment as Alf Garnett and Ron Atkinson.

Never mind Palace fans, apparently "it's just banter".

It seems to be the job that no-one wants. After a couple of hours chatting to Parish it all breaks down.

I'd love to be a fly on the wall in those interviews – maybe he insists on them getting a spray tan and wearing a ridiculous blonde wig...

THEY say women like a bad boy.

Liverpool must be the same with strikers.

Following the departure of Luis Suarez, the teeth marks have barely faded before they welcome another of football's ne'er-do-wells in Mario Balotelli.

It will be a great test of Brendan Rodgers' man management skills after his relative success with Suarez.

One thing is for sure – there will be fireworks!

DID YOU KNOW?

Don't believe me? Ask him on Twitter – he'll be happy to confirm

● **GREAT to hear that Coventry are to move back to the city and play their home games at the Ricoh again.**

After a ridiculous exile in Northampton for the past year, common sense and fan power has finally prevailed.

● SAFE standing at English football grounds is being backed by the Lib Dems… so that's definitely not happening then.

● **FUNNIEST football story of the week has to be Michael Chopra, who wants to denounce his British citizenship after his move to the Indian Football Premier League, saying he wants to be Indian football's Sachin Tendulkar.**

There's hope for us all. I haven't yet given up on being Balham's Ron Jeremy.

Legend JAG leaves void that will never be filled

I WAS absolutely gutted to hear of the death of James Alexander Gordon *(above)* this week.

"JAG", as he was known, was the voice of football, with his famous inflection that tantalised the ear as results crackled out of your wireless.

It's hard to imagine a day when you knew your rivals had lost not because you'd seen it on Twitter or followed the live scores on your mobile or a website, but because of the way his voice went up and down when he read the first team out.

He retired from the job last year and those football results just haven't been the same since.

JAG joins Peter Jones and Sid Waddell behind the mic in the great broadcasting booth in the sky. And sport is much poorer without them.

THE news hasn't half been depressing recently.

If it's not pictures of Gaza being bombed by missiles, it's images of Gazza getting bombed by gin that are upsetting me.

Thankfully, there was some news this week that put a huge smile on my face.

Madcap Mario Balotelli – the gift that keeps on giving – is coming back to England.

In a move riskier than Malky Mackay not deleting his text messages, Brendan Rodgers has signed the volatile Italian for Liverpool.

Just when the Reds got rid of an off-his-rocker striker, they bring an equally bonkers forward to Anfield.

The signing is a lot like taking a razor blade off a toddler and giving it some bleach to play with instead.

MADCAP: Balotelli

Liverpool claim part of the deal involves Mario adhering to the club's strict code of conduct.

Which is as likely as Hamas and the Israelis sticking to a ceasefire agreement.

I for one can't wait for the shenanigans the crazy man gets up to now he's back in the Premier League.

Someone who won't be back in the Premier League anytime soon is Mackay.

His move to Crystal Palace was scuppered when the *Daily Mail* exposed a series of racist, homophobic and sexist texts he sent.

Some good news did come out of it for Malky though – with his views now made public he's set to be the new editor of the *Daily Mail*.

Balotelli won't be ready in time to face his old club Man City tomorrow night.

But I still reckon his new side will take the three points.

TITLE JOY: Pellegrini and City skipper Vincent Kompany get to grips with the Premier League trophy

HARRY VOWS TO BE HULL OF A HIT

HARRY MAGUIRE insists he can handle the step up to the Premier League and help Hull be a hit.

The 21-year-old defender could make his top flight bow today after joining from Sheffield United for £2.5million in the summer.

Maguire *(left)* said: "I'm only 21 but I have played more than 160 games.

"I could have moved after my first season, when I had only played in five or six games, but I wanted to play more first team football.

"I stuck at it and now I've played a lot of games for someone my age.

"I knew when my next move came along I would be experienced enough to cope with it."

Stoke boss Mark Hughes admits he had a wad of cash to spend this summer – but chose not to.

The Welshman only used just over £1m despite being handed oodles.

He said: "We had a number of targets we made good bids for.

"Sometimes we offered over the odds because we wanted the player.

"But we are in a position where we are quite happy with what we've got."

It takes more than money to win title, blasts Pelle

MANUEL PELLEGRINI insists Manchester City's title triumph was about a lot more than hard cash.

City have spent heavily since being taken over by Sheikh Mansour in 2008 and have faced Financial Fair Play handcuffs this summer as a result.

But Pellegrini, who led City to their second title in three years, is adamant that there was a lot more to his team's triumph than money.

The Chilean said: "It's very important in the way we finished the season last year.

Conviction

"Not only because it's always difficult to win games in the Premier League, but also because they demonstrated the character of this team.

"Maybe a lot of media is always talking about money, but you can't do that with money.

"You can do it with character, personality, conviction, with style of play, with lots of things – and one day we will discuss longer about that.

"But when we win it's always because of money.

"If you don't spend money on a good squad it's impossible to win the title, but not for Manchester City.

"It's possible for Chelsea, for Arsenal, for Manchester United, for all the other teams.

"They spend money also and this year a lot of teams have spent more money than us. So it's not money.

"It's money because you need a strong squad, but there are a lot of things after the money that you have to do if you want to be champions."

Some feel the title fell into City's lap after Liverpool dropped five points in their last three matches.

But Pellegrini insists his side won it the hard way.

He added: "We always had two or three games in hand, so they were always at the top of the table – but we couldn't be because we couldn't play.

"We were involved in four competitions further than any other team, we won two titles and played in Europe, so we weren't so lucky."

Emre Can reckons Liverpool have shown they can walk with "big beasts" as they prepare to go toe to toe with City at the Etihad.

German midfielder Can could make his first start for the Reds since his £9million move from Bayer Leverkusen.

He has already made a big impression with his physical style during pre-season.

And he reckons he and Liverpool are ready to mix it with the biggest and best ahead of the ding dong with City.

"The Brendan Rodgers style suits me and I can adapt to it quickly," said Can.

Beasts

"He wants to play football and that's what I do. I am here to play, so I hope to be ready to feature quickly.

"In the Premier League there are a lot of big beasts. I am also one of them, so I'm going to give my best.

"The Premier League style suits me – to be a physical and strong player is important and I look forward to putting that to good use."

RETIRED: Richard Dunne

DUNNE SURE HE WON'T BE GOING BACK TO IRELAND

RICHARD DUNNE insists there will be no U-turn on his international retirement – so he can focus all his energy on prolonging his Premier League career.

The experienced Republic of Ireland centre-back decided to quit before the forthcoming Euro 2016 qualifying campaign.

Ireland manager Martin O'Neill admitted he was disappointed with the 80-cap star, who he feels still has a lot to offer on the international stage.

But Dunne is adamant there will be no turning back now. The 34-year-old explained: "It's something I thought long and hard about.

"It was very difficult to come to the decision in terms of retiring, so to do it again in a year's time is not something I really want to do at all.

Breaks

"I've had a chat with Martin about it. It is what it is, and being in the Premier League and playing week in, week out, and staying injury-free is my aim.

"Having those breaks during the season will help me to do that."

Tottenham manager Mauricio Pochettino is looking to build on back-to-back away wins at West Ham and AEL Limassol against former Spurs boss Harry Redknapp.

Pochettino will be without the suspended Kyle Naughton, but Emmanuel Adebayor, Christian Eriksen, Younes Kaboul, Aaron Lennon and Etienne Capoue are available after being rested for the energy-sapping trip to Cyprus in the Europa League.

It was a match Spurs looked set to lose until the introduction of Erik Lamela after 72 minutes – a switch that directly led to goals for Roberto Soldado and Harry Kane.

Soldado's strike was a fantastic first-time effort and particularly important given his struggles in front of goal last season, although Pochettino played down the magnitude of the goal.

"Always goals are important for Harry and for Roberto," he said.

"The strikers always need to score, and it is important he scored and Harry scored.

"In the team, when the strikers score all the people are happy."

WE'RE GOING FOR THE TREBLE, SAYS DE GEA

DAVID DE GEA insists Man United are still targeting a TREBLE of trophies this season.

Spanish goalkeeper De Gea *(left)* believes new boss Louis van Gaal has got exactly what the fallen giants need to turn their fortunes around.

"It's a new era, a new coach, new players. We want to win everything and that's what we'll try to do," said De Gea.

"Louis van Gaal is a big character, a great manager and always wants to do the best in training and in games.

"He gets us to train hard. It's very good for the team. We always have to be focused on training and the games, and we'll play very well with him."

United are looking to bounce back after their shock opening day home defeat by Swansea, but Van Gaal has been hit hard by the news that Ander Herrera has an ankle problem to leave him short of midfield options for today's trip to Sunderland.

Pressure

But he will at least have Robin van Persie available after giving the Holland striker an extended break after the World Cup.

It means Van Persie is set to line up alongside Wayne Rooney and Juan Mata for just the SEVENTH time since Mata joined from Chelsea in January.

Sunderland boss Gus Poyet cranked up the pressure on Van Gaal, insisting United must make the top four this season.

"The pressure is on them, yes. They need to improve on last season's seventh place, definitely," said Poyet.

"They have plenty of quality and we know they'll be improving their squad before the transfer deadline, but they can't have another season outside the top four."

The Black Cats enjoyed their first win at Old Trafford in 46 years last season and also beat United in the Capital One Cup semi-final.

Poyet added: "When I arrived at the club, all the talk was about how we couldn't win against them, but we showed we could.

"Now, if anything, it's about guarding against over-confidence."

Watford 4
Leeds 1

FERNANDO FORESTIERI starred as Watford shrugged off talk of dressing room discontent against nine-man Leeds.

Hornets boss Beppe Sannino is said to have clashed with players over his training methods.

But Watford did not look back once star man Forestieri headed home in the 20th minute.

Leeds responded with a Gabriel Tamas own goal.

But Giuseppe Bellusci saw red for hauling down Forestieri for a penalty, which Troy Deeney scored.

Forestieri struck again before Daniel Tozser completed the rout.

Sam Byron's headbutt on Daniel Pudil summed up the visitors' afternoon.

N Forest 4

MICHAIL ANTONIO was chief tormentor of his old club as Stuart Pearce's high-flying Forest went on the rampage.

The £1.5million winger – offloaded by the Royals to Sheffield Wednesday two years ago – produced a pair of close-range finishes to set Forest on the road to an emphatic victory.

And the three points put them top of the table.

Antonio also turned provider to set up Matty Fryatt for the third and almost completed his hat-trick in a goalmouth scramble that led to Britt Assombalonga getting on the scoresheet as depleted Reading fell apart in the second half.

Blackburn 3
Bournemouth 2

JORDAN RHODES showed why Hull put in a £10million-plus bid for the super Rovers striker last week.

There looked no danger when Rhodes chased Tom Cairney's long ball, but he pounced on Steve Cook's clearance and scored from a narrow angle.

That was the start of three Rovers goals in 11 minutes as Grant Hanley headed home a corner and Rudy Gestede turned in Craig Conway's long shot.

Brett Pitman pulled one back from the spot for the Cherries after Alex Baptiste tripped Adam Smith.

And Rovers had an anxious final few minutes when Cook headed home.

Derby 5
Fulham 1

FIVE-STAR Derby condemned woeful Fulham to a fourth defeat in a row with a stellar performance.

The Rams were the better side from start to finish and led at half-time through Jamie Ward's volley.

Scott Parker briefly put the Londoners on terms with a neat finish, but five minutes later Craig Bryson's fierce strike restored the lead.

Two goals from Chris Martin and one from sub Simon Dawkins completed the rout.

The result leaves Fulham pointless and propping up the table, with serious questions being asked about the future of Cottagers' manager Felix Magath.

Red-hot Riera gets Latics up 'n running

Wigan 1
Blackpool 0

ORIOL RIERA *(above)* opened his Wigan account to get the Latics up and running against woeful Blackpool.

The £2million Spaniard – who bagged two goals against Real Madrid for Osasuna last season – netted with a shot on the turn just before the break to give Uwe Rosler's side a first win of the campaign.

Wigan should have been clear by then, with Callum McManaman and Don Cowie wasting good chances. After the break the Seasiders – still looking for their first point of the season – should have levelled through Nile Ranger.

But the bad-boy striker lifted over from close range after being picked out by Ishmael Miller's cross.

HUD IN HANDS FOR BLUEBIRDS SKIPPER

Wolves 1

BLUEBIRDS skipper Mark Hudson *(above)* was the villain as he gifted Wolves victory with a last-gasp own goal at Molineux.

The defender's outstretched leg diverted Kevin McDonald's pass beyond the helpless David Marshall in the first minute of second-half injury time.

It came after Wolves winger Rajiv van La Parra had failed to find a killer touch in front of goal, spurning four good chances.

Despite Peter Whittingham and Kenwyne Jones going close for Cardiff in the second period, newly-promoted Wolves stole all three points through a slice of good fortune after dominating in large parts.

CITY SLICKER: Hero Grabban *(second left)* celebrates netting his winning goal

Ipswich 0
Norwich 1

LEWIS GRABBAN got his fourth goal in as many games to give the Canaries bragging rights in East Anglia.

Grabban sent Norwich into dreamland against their fierce rivals with a simple header from two yards after shocking Ipswich defending in the 24th minute.

A Close Skuse clearance was nodded back in by Alex Tettey and Grabban took advantage of dithering by goalkeeper Dean Gerken and defender Christophe Berra.

But the £3.5million buy from Bournemouth scorned another top chance when he chipped keeper and bar from 10 yards when unmarked.

Gerken denied Grabban with a full-length diving save and the lively striker was thwarted once again when Tommy Smith cleared another effort off the line. There were tasty battles all over the pitch and the midfield duel between Ipswich's Luke Hyam and Norwich's Bradley Johnson epitomised this "Old Farm" derby clash.

Daryl Murphy missed the best Town chance, heading wide from a Jay Tabb cross.

Salvage

Manager Mick McCarthy made a triple substitution to try to salvage something for the Tractor Boys, but to no avail.

Norwich fans chanted "top of the league at Portman Road" just as they did when they ran out 5-1 winners at Portman Road in 2011.

Pringle's thriller for Millers

Millwall 0
Rotherham 1

BEN PRINGLE earned Rotherham a smash-and-grab win to end the Lions' unbeaten start.

The winger *(left)*, who has been attracting interest from Premier League clubs, bundled home at the back post at the start of the second half.

It was one of only a few chances the Millers had in a game Millwall dominated but failed to really trouble the Rotherham goal.

Their best chance came early on, but Ricardo Fuller headed Lee Martin's cross wide.

Rotherham had set up for a draw but should have been ahead before the break when Alex Revell missed a great chance.

Paul Taylor's angled drive was parried straight to Revell by David Forde, only for the forward to miss from five yards. But he made up for the error three minutes into the second half as his flick from Taylor's cross deceived the Millwall defence and the unmarked Pringle was able to prod home.

Pringle had another effort well saved by Forde, but most of the second period saw Millwall pressing for an equaliser.

Shaun Williams had an effort saved and Fuller headed Scott Malone's cross over the bar.

ATDHE NUHIU'S double helped to stretch the Owls' impressive unbeaten start to the campaign.

Austrian Under-21 targetman Nuhiu pounced on an error from Boro goalkeeper Tomas Mejias to put Stuart Gray's men ahead on six minutes.

Stevie May doubled the lead from his strike partner's flick-on.

Towering Nuhiu glanced home a Jacques Maghoma free-kick before the hour to seal the win.

Boro pulled two goals back in the final 18 minutes – both Grant Leadbitter penalties.

The first came when Glenn Loovens fouled Kike and the second for a Tom Lees handball.

Brentford 1
Birmingham 1

RECORD signing Moses Odubajo snatched a point for 10-man Brentford with his first goal for the Bees.

The £1million man came off the bench and charged upfield before lifting the ball over Darren Randolph.

Clayton Donaldson looked to have returned to haunt his former club by winning the 16th-minute penalty that gave Birmingham the lead.

The striker was hauled down by Tony Craig, who was shown a straight red, allowing Paul Caddis to slot the resulting penalty.

Brentford improved in the second half and scored with 11 minutes remaining thanks to Odubajo's slick cameo.

Huddersfield 1
Charlton 1

CHARLTON preserved their unbeaten record thanks to a last-gasp goal from Igor Vetokele.

Vetokele poked home in stoppage time to cancel out Nhaki Wells' opener for Huddersfield.

Terriers chairman Dean Hoyle had warned the fans he could walk if they don't support his next choice as manager.

But caretaker boss Mark Lillis has already started to lift that gloom and looked to be on course for a second straight win, despite the dismissal of Murray Wallace.

Wells tapped in his fourth goal of the season, but Vetokele's stike killed the celebrations.

Brighton 2
Bolton 1

PORTUGUESE new boy Joao Teixeira grabbed Brighton's winner – but it was Craig Mackail-Smith who delivered a knockout blow to Bolton.

Dougie Freedman's side, still looking for their first league win of the season, edged in front through Matt Mills' 25th-minute header.

But Mackail-Smith took out keeper Adam Bogdan as he bundled in an equaliser from Inigo Calderon's cross.

Bogdan went off with a cut eye and concussion.

His replacement Andy Lonergan almost handed the winner to Lewis Dunk by flapping at a corner before Teixeira – on loan from Liverpool – fired home the 64th-minute decider.

NO RELIEF FOR NEW GAFFERS WITH A FRUSTRATING BLANK

Southampton	0
West Brom	0

TWO teams trying to start new eras under new managers battled out a dreary stalemate at St Mary's.

Ronald Koeman gained his first point since taking over as Southampton boss, but Alan Irvine will be happier with the draw that keeps his West Brom side unbeaten after two games.

Although Saints hit the woodwork through James Ward-Prowse, Albion record signing Brown Ideye had two decent chances to win it after coming on as a second-half substitute.

Koeman's men had most of the ball early on, but it was Albion who made the best openings.

First Victor Anichebe snuck in front of Maya Yoshida to flick Chris Brunt's left-wing cross a yard wide.

Then a lunging interception by Jose Fonte prevented Graham Dorrans converting a low cross from the right by Andre Wisdom.

Southampton's best effort was a header wide by new forward Graziano Pelle.

The Italian did get a shot on target after 28 minutes, but the first-time drive lacked venom and Jonas Olsson was able to block. Saints were now on top and West Brom had a huge let-off just after the half-hour when Wisdom and goalkeeper Ben Foster left a long forward ball to each other.

Bent

Dusan Tadic nipped in but fired the ball too high for Pelle to head into an empty net.

Steven Davis nodded the ball into the path of Tadic, whose quick shot needed a full-length save from Foster.

Koeman threw on £12.5million signing Shane Long at half-time to face one of his former clubs, and Irvine quickly countered by introducing Nigeria striker Ideye.

Both soon had chances to make their mark, but Long headed over and Ideye nodded Sebastien Pocognoli's cross into the side netting.

Ward-Prowse, who has been studying Koeman's famous free-kick technique on video, bent a set-piece against the post in the 70th minute.

But Saints keeper Fraser Forster had to be alert to foil Brown after he had turned past Fonte.

Roman rises to give Diego a Costa bravo

POACHER: Costa had Abramovich *(inset)* on his feet with an excellent performance

DIEGO COSTA drew a line under Chelsea's striker crisis as £50m flop Fernando Torres moved closer towards the Stamford Bridge exit door.

Costa wasted no time settling into his new home with his second goal in two games.

Already the Spain hitman has demonstrated why Jose Mourinho singled him out as the player to boost his side's firepower after last season's forward woes.

The shot-shy displays of Torres, Samuel Eto'o and Demba Ba were one of the main reasons Chelsea's title challenge faded.

And the ecstatic reaction of Roman Abramovich – marking the 11th anniversary of his first home game as owner – to Costa's display confirmed the striker is already loved at the Bridge.

Chelsea	2
Leicester	0

The Russian punched the air when Costa scored and stood to applaud when the Brazilian-born forward made way for returning legend Didier Drogba.

After spending many long hours watching Torres fail to deliver, Abramovich was relieved to see a big-money buy come good.

Torres was not even named among the substitutes. That is yet another sign he is surplus to requirements and could be on his way to AC Milan before the end of the transfer window. And when Eden Hazard *(below)* drilled in a shot in the 77th minute, the owner was able to reflect on a perfect start of two wins in the opening two games.

Tougher tests will come – after all, Chelsea have only beaten two promoted clubs.

And until Costa broke the deadlock in the 63rd minute, this looked like being a long, hard slog for Mourinho's men.

In fact, they should have been chasing the game from the 55th minute when David Nugent missed a great chance to give the Foxes a shock lead.

The striker was sent clear on goal 40 yards out but fired his shot too close to Blues keeper Thibaut Courtois.

Chelsea had struggled during the opening 45 minutes, barely managing an effort on target.

Kaspar Schmeichel was untroubled – but that was to change after the break.

The Leicester keeper could only stand and watch when Oscar drilled a shot against the inside of the post.

He then produced a full-stretch save to stop a Branislav Ivanovic header and produced a carbon-copy effort to keep out the full-back's rising drive.

But he had no chance when Ivanovic set up Costa just after the hour.

The striker showed a scorer's instinct to collect a low cross and drill home from six yards.

Worse was to come for Nigel Pearson's side when Hazard cut in from the left and beat Schmeichel with a superb finish.

Ol of a finish as supersub Giroud nicks a late point

OLIVIER GIROUD bagged a dramatic late equaliser as Arsenal pinched a point in an unlikely fightback at Goodison Park.

The Gunners were terrible in the first half and deservedly went into the break 2-0 down.

But they showed plenty of guts after the interval to get a share of the spoils as Aaron Ramsey and Giroud finished confidently.

After a tame start the game exploded into life when Seamus Coleman capitalised on some poor defending and opened the scoring for Everton.

Gareth Barry delivered a dangerous ball to the back post which went over Romelu Lukaku and Coleman headed past Wojciech Szczesny.

Roberto Martinez's side should have added a second shortly afterwards.

A long ball from Leighton Baines was flicked on by Steven Naismith for Kevin Mirallas, but the Belgium forward directed his shot wide.

EQUALISER: Giroud

Clever

The Gunners were punished by a second Everton goal on the counter-attack just before half-time.

Lukaku showed his strength to win the ball ahead of Per Mertesacker on the right flank and cut inside before threading a pass for Naismith, who slipped his shot under Szczesny.

The Gunners took off Alexis Sanchez for Giroud at half-time and the France striker went close with his first touch when he volleyed Ramsey's clever chip over the bar from close range.

Giroud twice went close in the space of two minutes just after the hour.

First he rifled a shot from distance which flew past the post.

Then moments later Giroud saw Tim Howard narrow the angle to save well from 10 yards out.

Arsenal pulled one back on 83 minutes to ensure a tense finish.

Sub Santi Cazorla crossed a low ball into the penalty area for Ramsey to slam home from close range.

And the amazing figthback was complete when Giroud rescued a point for the Gunners with a bullet header from Nacho Monreal's high cross.

PALACE CHOPPED DOWN BY

Crystal Palace 1
West Ham 3

MAURO ZARATE struck his first West Ham goal as the Hammers piled on the misery for crisis club Crystal Palace.

Stewart Downing and Carlton Cole were also on target as Eagles caretaker-boss Keith Millen failed to conjure an on-field respite to the club's off-field problems.

The Selhurst Park club has had a nightmare week in the search for a new boss after Tony Pulis's shock resignation.

A move for Malky Mackay came to an abrupt end when the former Cardiff manager was wrapped up in a racism and sexism scandal.

And things got worse as Sam Allardyce's side picked up their first points of the campaign.

The Hammers broke the deadlock thanks to Zarate's brilliant volley, before Downing curled past Julian Speroni in the first half.

The Eagles hit back within two minutes of the restart when Marouane Chamakh blasted home, but West Ham were home and dry following Cole's close-range finish.

Palace suffered a blow before kick-off as Joe Ledley injured himself in the warm-up and was replaced by Stuart O'Keefe.

The Eagles had a great chance to open the scoring early on when Martin Kelly fizzed a ball to the back post, where

WILLI'S HORROR RED END

Mike sent packing for a Fab bodycheck

By BRENDAN McLOUGHLIN

MIKE WILLIAMSON was red-carded as Villa and Newcastle drew a blank.

It was enough to leave Paul Lambert's men sitting pretty at the top of the Premier League table at 3pm after last weekend's win at Stoke.

And their new-look back four of older heads celebrated back-to-back clean sheets for the first time since November.

For the Magpies, at least, it was a first point on the board following their opening-weekend defeat to champions Manchester City.

Yet that positive was offset by the injury-time dismissal of defender Williamson for two yellow cards.

Both sides provided enough to suggest they are capable of keeping out of trouble this season.

Yet this pair of grand old clubs remain very much works in progress and there is work still to be done.

Lambert said: "After everyone's doom and gloom about the club at the end of last season we have certainly made a positive start.

"First half we were particularly excellent."

Whistled

And Toon boss Alan Pardew insisted: "I was really pleased with the work we have done pre-season in trying to control games, but the last third was not so good.

"In the last third the new signings are trying so hard – but sometimes that is not always the way."

After Yoan Gouffran spurned a golden chance for Newcastle, Charles N'Zogbia almost got one over his old club when his floated free-kick from 25 yards out whistled agonisingly beyond Tim Krul's left post.

It was another of the French legion on show, Remy Cabella, who passed up the first half's best chance.

The Toon midfielder slid a shot the wrong side of the left upright in the 23rd minute after a Gouffran strike fell into his path.

Newcastle's summer defensive recruit Daryl Janmaat showed his qualities in attacking situations.

The Holland full-back first flung himself at Williamson's header back across goal from Jack Colback's diagonal delivery, only for Villa keeper Brad Guzan to tip over.

Then Janmaat bent a curler a foot over the bar after cutting in from the right.

There were rousing receptions for debutant Carlos Sanchez, Villa's Colombian midfielder, and the returning Darren Bent – the Bomb Squad member back in the fold after being frozen out and loaned to Fulham last season.

And after Williamson had wasted a glorious opening for Newcastle at the far post, Bent almost made a quick impact when he headed narrowly over the crossbar following a determined dribble by Fabian Delph.

A point, on reflection, was a fair outcome. Yet Villa had Guzan to thank for departing with that when he stood up superbly to thwart Siem de Jong after he had been fed by fellow substitute Ayoze Perez.

By full-time it was Pardew's team who were relieved to pocket a point after finishing with 10 men.

Cynical

Williamson, having picked up his first yellow card in the 86th minute, received his marching orders for a cynical bodycheck on Delph.

Pardew added: "I felt sorry for Willo, who was terrific in his distribution.

"Perhaps he could have won it for us, but he had a mixed day."

JUST LIKE THE OLD DAYS: Villa No.2 Roy Keane has a dig at Daryl Janmaat

WINNER: Nathan Dyer

Dyer goes it alone to make a killing

Swansea	1
Burnley	0

NATHAN DYER struck for the first time this season to earn Swansea the points.

The pint-sized winger beat Tom Heaton with a 23rd-minute effort.

Burnley did more than just make a game of it.

Lukas Jutkiewicz, Dean Marney and Danny Ings all came close to snatching a draw.

But Sean Dyche's side are left without a point from their opening games.

Swansea began on the front foot and Wilfried Bony had a header cleared off the line by Jason Shackell.

But Burnley almost took the lead in the eighth minute when Ings fired only inches high and wide from 20 yards.

Swansea were smart on the counter attack and when Wayne Routledge picked out Gylfi Sigurdsson at the near post, the Icelandic midfielder was denied by Heaton's save.

Dyer made the breakthrough when he was sent away on the right.

Pounding

Bony looked the obvious option, but Dyer went alone and beat Heaton at his near post.

Bony fluffed his lines when presented with a golden chance on 50 minutes, while at the other end Jutkiewicz saw his shot from close range deflected for a corner by Ashley Williams.

Jutkiewicz was then inches away from converting a Marney cross to the far post.

Clarets sub Ross Wallace was twice blocked on the edge of the Swansea penalty area.

Burnley kept pounding away at the Swans' goal but it would not go in.

Ings and Marney were the main culprits, although Swansea have to take some credit for a strong rearguard action.

Swans boss Garry Monk became increasingly concerned and threw on all three substitutes.

But Burnely kept coming and Wallace was again denied an equaliser by some last-ditch defending.

A STUNNING ZARATE BLOW

Chamakh was denied by Joey O'Brien.

Mile Jedinak should have put Palace ahead when Chamakh expertly chested the ball down into his path on the edge of the box, but the skipper scuffed his effort.

The Hammers had their first real opportunity midway through the first half.

Downing's cross to the back post found Cole, whose header back found Aaron Cresswell, and the left-back's shot took a deflection for a corner.

West Ham drew first blood in the 33rd minute with a stunning strike from Zarate.

It got worse for the Eagles two minutes later as Downing curled a shot beyond Speroni after cutting in from the right.

The Hammers nearly made it three a minute into the second half as James Tomkins rose to plant a header off the underside of the crossbar.

But moments later Palace were back in the game, thanks to a brilliant Chamakh strike.

Collecting the ball 25 yards from goal, the Moroccan drove a low shot past Adrian into the bottom corner.

West Ham regained their two-goal cushion just after the hour when Cole lashed home.

The Hammers were in the comfort zone now and nearly grabbed a fourth when Cheikou Kouyate was a whisker away at the near post from a corner.

Despite a couple of late chances for Glenn Murray and Jonathan Williams, it just wasn't Palace's day.

MINDER: Mario Balotelli will be kept in check by Steven Gerrard *(inset)*

KOP FINAL FOR TELLI

Agent admits striker will be FINISHED if he's an Anfield flop

By GRAHAM CHASE

MARIO BALOTELLI'S agent says the madcap striker must produce the goods at Liverpool – or he's FINISHED in football.

But Mino Raiola believes Kop legend Steven Gerrard will keep his man from going off the rails again.

The agent has told Balotelli now is the time to grow up and accepts he is running out of chances.

Raiola revealed: "I searched for a team where Mario can be an important player without being asked to lead.

"Liverpool have Gerrard so Mario will be protected and have the chance to be at his best.

"Now it's up to him. Another flop is not recommended.

"At the highest level, this is Mario's last chance. It is all or nothing.

"He is 24 years old. He can no longer use his age as an excuse."

"Not everyone is born to be a leader and often good strikers are not good leaders.

"Mario needs to get out from behind this pressure so he can feel free to score goals."
